Mrs. C. V. Ejft has just received the sad news from Weybridge, England, telling of the death of her mother, Mrs. Benjamin Frost.

Constable Ackroyd has resigned from the Provincial police force and Constable Ponder, of Massett, is relieving in the local office until a new man is appointed here.

Joe Roberts, charged with having stolen goods in his possession, appeared before Magistrate McMordie for summary trial this morning and was remanded until tomorrow.

Theo. Collart is expected to return from an extended trip to Holland at the end of next month. Mrs. Collart will not come across until the summer, hence Mr. Collart's return at an earlier date than was proposed.

There was a splendid crowd at Mrs. Grew's Cinderella dance held last evening in the De Luxe Hall after the regular dancing class. The one hundred or more persons who attended fully taxed the accommodation of the hall and Howard White's new orchestra provided splendid music for the occasion.

The Prince Albert, Captain H. L. Roberson, arrived at 4 o'clock this morning direct from Vancouver with a dozen passengers for the Queen Charlotte Islands. The boat will leave tomorrow afternoon for both southern and northern island points and on her return on Saturday will go into the dry dock for annual overhaul.

Judgment has been handed down by Mr. Justice Murphy on the Grand Trunk Pacific Co. vs. Robert Hanna action. The dispute arose over the refusal of the defendant to vacate land at Seal Cove upon which he was squatting and the judgment orders recovery of the land to the railway company with costs of the case to be divided.

Mayor Harry B. Rochester and Aldermen J. H. Kelly, George Frizzell, S. E. Parker, M. J. McNeill, John Dybhavn, Thomas Silversides and George W. Kerr appeared before Judge Young at the Court House yesterday afternoon and were sworn in for their civic duties. The judge addressed them, suitably emphasizing the confidence that the people had placed in them and wishing them every success in carrying out their responsibilities. G. G. Perry was away at Metlakatla.

CANDIDATE TRYING TO UPSET ELECTIONS

Vancouver Ex-Alderman to Appeal to Courts Against Method of Counting.

VANCOUVER, Jan. 18.—P. C. Gibbons, one of last year's aldermen and an unsuccessful candidate for re-election, on Thursday intends to go into the courts for an order declaring the civic election here null and void. He finds fault with the method of counting.

MACDONALD'S CUT BRIER

MACDONALD'S "BRIER" has become a Canadian institution. Smoked by the men who made history. In the bush, on the trail, in mining camps, prospectors' huts, factory yards, on trains, steamships, in the luxurious homes and downtown clubs of our Canadian cities—Macdonald's has always been recognized as *the* smoke.

MACDONALD'S CUT "BRIER"—the same tobacco but in new form—maintains every Macdonald tradition since 1858, and gives to smokers—*more tobacco for the money.*

UNION BANK REPORT

Institution has Materially Improved Position During Year

The general public is always interested in the annual report of the Union Bank of Canada for this institution has earned the reputation of being one of the most aggressive and well managed institutions in Canada. The report for the year ended November 30th, 1920, is particularly interesting because it reveals the fact that the bank has materially improved its position during the past year and is today in a stronger and more liquid position than it has been at any time during its 56 years of active business in Canada. Liquid and cash assets on November 30, 1920, totalled \$82,204,566, being equivalent to 54.35 per cent of the total liabilities of the bank to the public as compared with the ratio of 47.23 per cent reported in 1919. In view of the very difficult problems which banks have had to contend with during the past year, the achievement of the Union Bank in this respect reflects great credit on the officials of the institution.

INDIAN BOYS ARE CHARGED FORGERY

Alleged They Obtained Money on Time Check of Another

Robert Sankey and Joseph Wright, Port Simpson Indian lads, appeared before Magistrate McMordie this morning charged with forgery and were remanded until tomorrow morning.

It is alleged that they obtained a dry dock time check from another Indian, Sam Hughes, and forging his name, cashed the paper at the Prince Rupert Pool Room.

Take Care of That Cough

Some people get a nasty cough and don't pay much attention to it, saying, "Oh, it will wear away in a short time," but while it may wear off, serious injury may have been done to the lungs and respiratory organs by the prolonged, harsh, racking coughing.

On the first sign of a cough or cold get a bottle of Dr. Wood's Norway Pine Syrup. It will stop that nasty, troublesome cough, ease the tightness across the chest, and loosen the phlegm.

Mrs. Wm. Larnshaw, Aspley, Ontario, writes: "Last winter I caught a bad cold, had a sore throat and a terrible hacking cough that I could not get rid of. I could not sleep at night. I tried quite a few remedies, but they did not do me much good until I got Dr. Wood's Norway Pine Syrup. By the time I had taken two bottles, my cough was all gone. I feel that 'Dr. Wood's' has no equal."

When you get Dr. Wood's Norway Pine Syrup, you are not experimenting with a new and untried remedy, but one that has a reputation extending over thirty years. Put up in a yellow wrapper; three pine trees the trade mark; price 35c and 70c. A bottle manufactured only by The T. Mulburn Co., Limited, Toronto, Ont.

Constable Ponder, of Massett, and Constable Fairbairn, of Queen Charlotte City, will return to the islands on the Prince Albert tomorrow.
