PROGRAM FOR CELEBRATION

Meeting of Trades and Labor
Committee Perfected Arrange-
ments Last Evening.

There was a meeting of the
celebration committee of the
Trades and Labor Council last
night at which the program for
the Labor Day sports under the
auspices of the council was set
out. S. D. Macdonald was in
the chair and Len Dewhurst was
appointed secretary pro tem in
place of Arthur Ellis, who is ill
in the hospital. There were
present besides W. E. Thomp-
son, J. R. Beatty, J. Viereck,
Harvey Fraser, R. Wiggins, W.
H. Shortridge and Harry Webber.
Morning events will include
the five mile road race, speed
boat race and the log rolling
contest. Starting at 12:30 there
will be a baseball game between
the Sons of Canada and the Elks
followed by the relay race, one
mile open handicap. Children's
women's and novelty races and
the final football game for the
Githu Cup. The day will be
concluded with a big dance, the
hall for it not having yet been
selected.

The baseball game between
the Sons of Canada and the Elks
will not be played tonight if
the weather is not favorable.

Sport Chat

The necessity and value of
being able to swim and to swim
well is daily exemplified in oc-
currences that take place in and
about the harbor. Object les-
sons should be heeded and chil-
dren and grown-ups should
learn to swim. The principle
of some parents of keeping their
children away from the water
and thereby assure safety is in-
deed a foolish one. It is no
use trying to do that for some
time they will be called upon to
swim either to save their own
lives or to save the lives of
others and then the folly of such
false prudence would be demon-
strated. Why not start now?
Learn to swim yourself and teach
your children to do so. Only
last Monday a prominent citizen
of this city saved the life of his
two year old daughter when he
jumped with all his clothes on
from a running gas boat to save
the child who had fallen in. He
is a strong swimmer—that is
why he and his child are still
alive today.

Swan, the Sons of Canada
forward, heads the list of goal
getters in the Senior Football
League both for the season and
the Dominion Day Cup ties ac-
cording to a compilation that is
posted in Jack's Cigar Store. In
the league series he made four
goals and in the cup ties, three.
Other goal scorers were as fol-
lows: Wearmouth (S.O.E.), 3;
Tinker (S.O.E.), 3; Kinghorn
(Gallies), 2; Boote (Vets.), 2;
Hardy (Vets.), 2; Moffatt (S. O.

AEROPLANE MAY VISIT RUPERT

Two Arrive at Edmonton and
are Coming West Says News-
paper of That City.

LEFT FOR JASPER THIS MORNING

According to a story in the
Edmonton Bulletin of Tuesday
an aeroplane may pay a visit to
this city soon. Another is on
the way to Siberia by way of
Prince George and Hazelton. The
account in the Bulletin follows:
"On a hazardous journey
from Mexico to Siberia, the
"Polar Bear," piloted by C. O.
Prest with L. M. Bach, assistant
pilot, arrived at the Edmonton
Aircraft company's 'drome' at
11:30 a.m. this morning, in com-
pany with a Lethbridge plane
operated by H. H. Fitzsimmons
and J. E. Palmer of the south-
ern city.

"Shortly after eleven, the
strange aircraft were observed
passing over Strathecona from
the south, flying at an altitude
of 7,500 feet. They then headed
due north for the airdrome, and
after some circling over the city
for the purpose of obtaining
photographs landed on the Por-
tage avenue ground at 11:30.

"Olds was left at 9:30 this
morning, and the planes made
the trip in quick time in beau-
tiful weather. These conditions
have held good for the major
portion of the trip, says Mr.
Prest, and although the Rockies
have been crossed on three oc-
casions no trouble or difficulty
of any kind has been experienced
with the exception of one foul-
ed spark plug.

On Way Three Weeks.

"The American flyers left
Venice, California, three weeks
ago, and are making the aerial
journey from the Mexican line
to Siberia via Edmonton, Jasper,
Prince George, Hazelton, Tele-
graph Creek, Dawson and Nome
from where they will fly across
the straits into Russian terri-
tory, returning again by practi-
cally the same route. The total
length of the journey amounts
to 14,688 miles, much of which
will be over territory which has
never before been flown over.

Coming Was Surprised.

"The advent of the yellow
plane has caused quite a stir
of excitement in many of the
western American and Canadian
towns which never before had
beheld a plane, says Mr. Prest,
and at many points exhibitions
of aerial acrobatics have been
given for the edification of the
inhabitants. A display of new
air stunts will be given on Wed-
nesday evening over the Por-
tage avenue drome at 7 p.m.,
when something unusual in the
way of flying "stuff" is prom-
ised.

The "Polar Bear" is a bi-plane
carrying the Curtiss engine, and
is a new "boat" specially built
for the trip now being taken;
she has a 75-horsepower engine
can lift 700 pounds with ease,
and carries enough fuel in
her storage tanks to take her
450 miles without replenishing
her supply.

Far As Rupert.

"The Lethbridge plane is also
a Curtiss, and joined her Amer-
ican compatriot at the border
and will accompany the south-
ern flyers as far as Prince Ru-
pert. This is the Lethbridge
men's first trip to Edmonton
but previously they had flown
east and west below Calgary.
The pilots are Royal Air Force
men, and have flown fighting
planes in France and Belgium.

Left Today.

EDMONTON, Aug. 19.—The
planes left Edmonton this morn-
ing for Jasper, their next stop.
They will then proceed to Prince
George and Hazelton.

ANOTHER HOMER.

CHICAGO, Aug. 19.—Babe
Ruth made his 16th home run
of the season in the sixth inn-
ing of the New York-Chicago
game yesterday. There were two
men on bases at the time.

V. Johnson, of Ketchikan,
reached the city last night.

JAPANESE BEAT THE INDIAN AT TENNIS

CHICAGO, Aug. 19.—Ichiya
Kumagane of Japan defeated
Mohammed Slem of India in
three straight sets in a series of
games in the semi-finals for
the Davis Cup tennis series yes-
terday. The scores being 8-7,
6-1, 6-1.
