cooked with Klim taste better and are better. For with Klim Powdered Whole Milk you can add so much more nourishment and health value to your favorite dishes.

Klim is nothing more than pure, pasteurized country milk, in powder form, with only the water removed - replace the required amount of water and you instantly have rich, full cream milk again ready to use for drinking, for cereals, for cooking or for any other purpose where you would normally use high grade milk. If your recipe calls for a cup of milk, just add to your dry ingredients four

tablespoonfuls of Klim, stir it in and add a cup of water. Klim contains the vital ingredients that make milk the world's most perfect food - try Klim today. It's economical

to use, keeps without ice and definitely makes your milk cooked dishes tastier, richer and higher in food value. Send 10c for a trial can of Klim. Taste its goodness for yourself.
