EGYPT MARKET LOCAL LUMBER

Wm. Turnbull, Provincial Lumber Commissioner, Going to Visit London and Egypt.

On a mission which will carry him to London, where he will study market conditions, and later to Egypt, where it is believed there is awaiting a market for British Columbia lumber, William Turnbull, formerly editor of the Daily News and now provincial lumber commissioner, will leave shortly for the Old Country. His trip will be part of the programme of lumber trade extension which the Forest Branch of the Provincial Department of Lands has been successfully prosecuting in an effort to open up new markets for the British Columbia products, a work to which Hon. T. D. Pattullo, Minister of Lands, has been giving much attention.

Egypt, as a market for lumber, has already been brought to the attention of the lumber trade of this Province. As a result of a visit made to the province in February by Major R. E. Fischer, of Cairo, the Government was enabled to bring to the attention of the lumber exporters of the Province the opportunities of trade, and as a result some 8,000,000 feet of railway ties were sold for the use of the Egyptian railways. The lumber was shipped via the Canadian Government Merchant Marine, and delivery has already been made.

Market B. C. Lumber.

While in B. C. Major Fischer urged upon the Hon. Mr. Pattullo the possibilities of the Egyptian market, where great quantities of lumber will be required, and where, despite the competition from European countries he believed British Columbia could find a profitable market. Mr. Turnbull will fully study conditions there, and on his return report to the minister.

The one great need of the lumber trade of British Columbia, if it is to be placed upon a stabilized basis, Hon. Mr. Pattullo stated recently, is a sound export business. During the war this province's products could not be shipped owing to lack of shipping. Now, however, the position is reversed. Shipping is to be had for the asking and rates are very much reduced.

The question of whether British Columbia exporters can compete with other exporting countries and under what conditions will be the aim of Mr. Turnbull to ascertain and undoubtedly his report will prove of material aid to shippers in this province.

In London Mr. Turnbull will also study fully the market conditions there from the standpoint of British Columbia.

WANTS TO BUILD APARTMENT HOUSE

M. M. Stephens, Acting for E. Bannier, Asks City Set Aside.

A letter from M. M. Stephens, acting for Ed. Bannier as agent for lots on Fourth Avenue West between McBride and Dunsmuir Streets where it is proposed to build a permanent apartment house, was received by the council last night asking that steps be taken to set the grade for the street at this point so that building operations might commence. The matter was referred to the city engineer and the Board of Works for report.

PRITCHARD SPEAKS ON ORGANIZATION OF LABOR OF TODAY

W. A. Pritchard, the Winnipeg labor organizer, addressed about 300 persons in the Melodyre hall last night under the auspices of the Central Labor Council on "Labor Organization." W. E. Dickens was the chairman.

Mr. Pritchard's speech was based along lines in sympathy with the O.B.P. movement and his theories clearly supported the doctrines of that organization.

The speaker traced the organization of labor and the development of industry, stating that the method of the former has fallen far behind the progress of the latter. The bulk of the labor movement of today was obsessed with ideas of previous conditions. The system of dividing labor into crafts under the present capitalistic regime was not suitable and called for a transformation of policy that would recognize the development of industry. Only by making the organization of labor fit the modern organization of industry could the workers hope to meet the capitalistic interests on equal terms.

SENTENCED TO BE SHOT THREE TIMES

Alleged Representative of United States Hal Life of Suspense - Bolshevik Prison Camp.

WARSAW, June 21.—Three different times Captain Merion Cooper, of Jacksonville, Fla., while in a Bolshevik prisoner's camp in Russia for nine months, was notified that he was to be shot at sunrise. Then, for hours preceding the time set for the supposed execution, Cooper was grilled by Soviet authorities who pretended to believe that he was a representative of the American government. When the hour of execution came round but Cooper was never notified otherwise, being left in suspense day after day until he escaped.

PULP COMPANY WANTS OFFER OF CITY MADE EFFECTIVE NEXT YEAR

A reply from the Prince Rupert Pulp and Paper Co., regarding the offer that was submitted to it by the city council some weeks ago for the supplying of power to the proposed mill was last night received at the regular weekly meeting. The company pointed out that plans, at the present time, were not far enough advanced to make immediate acceptance of the offer advisable. It was suggested in the letter that the offer be made effective on the expiry of the present agreement with the Prince Rupert Lumber Co. on March 31, 1922. The matter was referred to the Utilities committee for report.
