The owner of the building on lot 14, block 36, section 5, has been ordered to either demolish the building or repair it. On complaint of F. W. Hart, who stated that it was overrun with "rats and children," the building inspector gave notice to this effect and his action was endorsed by the council last night.

A resolution was passed at last night's city council meeting forbidding the city clerk or the purchasing agent to receive tenders for city supplies at a later time than set out in the specifications. It was reported at the meeting that recently tenders have been late in getting their bids in. This makes matters both confusing and leaves room for suspicion.

The city poll tax collector by-law was put through its final reading and passed at the council meeting last night. Ald. Perry asked a question in regard to collection from the Indians who are now exempt from poll tax. Ald. Dybbayn pointed out that the regulations in regard to the collection of the polltax by the provincial government would be followed out to the letter by the city.

Slavin Says Carpentier's Experience Will Prove Too Much For Dempsey.

VICTORIA, June 21.—Frank Slavin, one time heavyweight champion of the world who, fought in the days of bare knuckles, picks Carpentier to win the big fight on July 2. He figures Carpentier's greater ring experience will be the means of defeating Dempsey. In this respect Dempsey is a youngster compared to the Frenchman. It is the opinion of Slavin that Dempsey's advantage in reach, weight and punching ability will not prove much of a help when they are stacked up against the shrewd "fighting machine" as he characterizes Carpentier.
