ELKS NEARLY WERE WINNERS

Untimely Fifth Inning Spoiled
Otherwise Bright Chances.

Rain somewhat marred the City League baseball game last night between the Sons of Canada and the Elks which resulted in victory for the former team by a score of 6 to 4. The game was a very evenly contested one as the score indicates and the number of runs was held down to a lower level than in any of the games so far this season. The Elks were the first scorers gaining one run in the first frame and two in the second while the Sons of Canada managed to get one in the third. At the beginning of the fifth, the score stood 3 to 1 in the Elks' favor but in this inning Clementson, pitching for the Elks, lost control in the heavy rain which started at that time and allowed four runs for the Sons thus giving them the lead. Following this, there was another run for the Elks in the sixth and one for the Sons in the seventh. The blow up in the fifth lost the game for the Elks and they thus missed their excellent chance of inflicting the first defeat of

the season on the Sons. On account of the rain, the game was called at the end of the seventh inning.

Menzies, for the Elks, made a home run but, unfortunately for his side, there were no runners on the bases. Hardy, on third for the Elks, also played a stellar game, hitting and fielding well. Shakespeare again appeared in the box for the Sons of Canada and both pitched and batted in good form. With the exception of the fatal fifth inning, Clementson, the veteran pitcher for the Elks, put up a bright brand of ball.

the Sons of Canada, seven. Two base hits were made by Menzies and Shakespeare. Clementson struck out nine men and Shakespeare, three. There were but two errors, one for the Elks on Shaw and two for the Sons, Mitchell and Corkle. Scott and Winslow were the umpires and the teams lined up as follows:
Elks—Hardy, 3b; Morrison, 1b; Easson, c; Clementson, p; Menzies, ss; Henning, 2b; Shaw, lf; Gibbs, cf; Valpey, rf.
Sons of Canada—Anderson, ss; Corkle, c; Corbier, lf; Shakespeare, p; Lane, cf; Scott, rf; Mitchell, 2b; Molony, 1b; Farquhar, 3b.

"Boxing's greatest showman." That is the title which George Lewis ("Tex") Rickard, has earned in the staging of boxing bouts that have drawn the largest gate receipts in the history of the sport. Rickard was born in Kansas City, Mo., January 2, 1871 and at the age of 12 was thrown on his own resources with a widowed mother, two brothers and three sisters to support. He started cow punching and after travels from Texas to the Klondike he turned up in Goldfield, Nev., at the time of the mining craze and here his promoting career commenced. The miners wanted something more than their local activities so got busy and after several unsuccessful attempts was able to stage a big boxing match between Joe Gans and Battling Nelson for a \$30,000 purse. Since that time he has promoted the greatest ring contests ever staged and with the fight between Carpentier and Dempsey on July 2 comes into the "million dollar" class. "Take a chance" and "Be Sure" are his mottoes and it is largely through these that he has had such great success.

Georges Carpentier, challenger of Jack Dempsey, is one of the most unusual boxers who ever competed for the world's championship. In temperament and intelligence, there has been none like him among aspirants for heavyweight honors. He will be outwitted by Dempsey when they clash. Other physical measurements may also appear to the disadvantage of the Frenchman but the essential item of courage will not be included in these shortcomings. A survey of the opponents Carpentier has met in the ring and sketches of several battles in which he revived from a count of nine to outpoint or knock out his rivals convinces one of his ring courage. The list of opponents Carpentier has met is more impressive than that of Jack Dempsey's rivals and Carpentier is by far the older in ring experience.

But the Frenchman has done most of his important fighting outside the ropes. The cockpit of an army combat plane has seen his most thrilling engagements and greatest demonstrations of courage. Comrades of Carpentier relate how they had watched him thousands of feet in the air attacking an enemy or swooping low over a Boche camp or airbase while German anti-aircraft guns tried to make a sieve of his plane. Often, they say, they mournfully uttered goodbyes to the youth, only to see him a few minutes later climbing out of the ship wearing the smile that spectators at New Jersey undoubtedly will see when he enters the ring to meet Dempsey.

BABE RUTH KNOCKS OUT TIMELY HOMER AND WINS THE GAME

BOSTON, June 21.—Babe Ruth, the marvel hitter of the New York Yankees, made his twenty-fourth home run of the season yesterday in the tenth inning of an overtime game with the Boston Americans here. There were no men on bases but the hit gave New York the one necessary score to win by 7 to 6.

LIFE SAVING DEVICES AT SALT LAKES URGED

Mrs. Roberson Writes to Council—Matter Turned Over to Swimming Club.

Mrs. M. Roberson has communicated with the city council regarding the possibility of establishing life saving devices at the Salt Lakes which is rapidly becoming a popular bathing resort and is now visited by hundreds of swimmers of more or less skill. It is Mrs. Roberson's suggestion that a tea house be established at the lake and that the concession be given to a returned soldier and his wife. During the summer months the man could attend to safety affairs and be on hand at all times to rescue any swimmers in distress. Besides this, the tea-room could be looked after by the couple and a small salary as well as the profits of the business be given as remuneration.

At the meeting last night, Mayor Rochester pointed out that it was not within the city's powers to establish any such proposition at the lake although it could regulate the conduct of affairs there.

Ald. Perry remarked on the splendid work that Mrs. Roberson had done as head of the Girl Guides in the city. He would favor the making of a grant to aid in the establishment of life saving precautions. The consensus of opinion at the council board was that the letter should not have come before the council at the present time so it was moved by Ald. Silversides and seconded by Ald. Parker that it be referred to the Swimming Club.

SCOTTISH ALL STARS BEAT ISLAND TEAM

Won at Nanaimo by a Score of 4 to 0 Yesterday Afternoon.

NANAIMO, June 21.—The Scottish all star professional football team defeated the Upper Island all stars by a score of 4 to 0 yesterday afternoon. It was considered that this team had the best chance of any in Canada to defeat the visitors. The Scotchmen will play tomorrow afternoon in Victoria against another select team from the lower section of Vancouver Island.

CARPENTIER'S SPARRING PARTNERS BADLY BEATEN

NEW YORK, June 21.—Carpentier's sparring partners, Paul Journee, and Joe Gans, of Brooklyn, were both severely whipped here last night in bouts with Charles Weiner and Augie Ratner, respectively. The referee stopped both bouts after Journee and Gans had been severely punished.

WATER ACT, 1914.

NOTICE IS HEREBY GIVEN THAT HIS Honour the Lieutenant Governor of British Columbia by and with the advice of His Executive Council has been pleased to order:

That pursuant to the provisions of Section 56 of the Water Act 1914 being chapter 81 of the statutes of 1914 that the reserve of the unrecorded waters of Lake, McMillin Creek and Marmot River in the Prince Rupert Water District established by Order-in-Council numbered 848 approved on the 14th day of December, 1910, be cancelled in so far as the said reserve pertains to the water of Marmot River in the Prince Rupert Water District and that notice of such cancellation be published for three months in the B. C. Gazette and for three months in one issue each month of some newspaper published in the Prince Rupert Water District.

Dated this 24th day of March, A.D. 1921.
