TENDER SKINS & SORE HANDS

KEEN winds make the skin harsh and rough. Lips get sore; hands crack and chap; faces itch and smart and "break out" into those blotchy eruptions known as winter eczema.

To restore the skin to a clear, healthy flexibility there's nothing like Zam-Buk. Rub it into the face, arms and wrists at night—let it work while you sleep.

Zam-Buk's refined herbal essences soak into, and purify the tissues. They soothe irritation and smarting pain; heal raw sore surfaces and prevent "infection" of the broken skin.

Cold-creams with no medicinal value, or coarse fatty ointments, are powerless to give you the clear healthy skin you desire. You need Zam-Buk the most soothing and successful skin remedy ever discovered.

Also a wonderful healer for Burns, Scalds, Cuts and all Sores. Wounds and injuries. Of chemists 50c per box or direct from Zam-Buk Co., Dupont St., Toronto. Trial sample 1c stamp.

NEW BATTERIES FOR TELEPHONE EXCHANGE

Old Set, Which Has Been in Use Since 1910, is Replaced.

New storage batteries for the municipal telephone system are being charged at the city hall today and tonight will be switched on to operate the exchange. The new set, which arrived a short time ago, consists of 22 storage cells, 11 of which are always in operation while the others are being charged.

The installation of the new set marks the first change since the original set was installed in the old exchange in August, 1910. The new set will be capable of carrying the city board up to its full capacity, including the new switchboard panel which is now on its way to the city.

New Panel

On the arrival of the new switchboard panel the system will be able to accommodate 200 new subscribers. This will eliminate the congestion that has been in evidence in the past few months. Although the new panel has been shipped, advices as to the date of its arrival here have not yet been received.

The work of installation is being done entirely by the electrical staff of the light and telephone departments under the supervision of superintendent of utilities, T. C. Duncan.

JUDGE YOUNG LETS INDIAN BOYS OFF

Restitution Made of Money Secured on Forged Time Check and Promise to Behave

Robert Sankey and Joseph Wright, the young Indian boys from Port Simpson charged with forgery, appeared before Judge Young yesterday afternoon, and pleading guilty were released on suspended sentence after Indian Agent Perry had appeared on their behalf and pointed out their tender years and their responsibility at Port Simpson, their home.

"Apparently you did not appreciate the seriousness of the offence you committed," said the judge, "and I am going to let you off on suspended sentence. A long term might well have been imposed on you if I had thought that you fully realized the importance of the crime."

The boys promised to be on their good behavior and restitution has been made of the money they secured on the strength of the forged time check.
