## GREEK PREMIER DEAR OLD MAN

Hates Venizelos and Not Admirer of Monarchs.

ATHENS, Jan. 14.—Demetrios Rhalis, the new Greek Premier, who succeeded Venizelos when the latter was defeated in the elections last autumn, hates the sight of Venizelos and has by no means always been an admirer of Constantine, who now has been re-elected as king.

Rhalis regards Venizelos as a political adventurer. This in part may be due to the fact that when Venizelos came from Crete to Athens and gained the political ascendancy, Rhalis' reputation as a politician was somewhat damaged.

In his long political career, the new premier has generally been at loggerheads with the crown. He often had disputes with the late King George and it was not until Constantine was deposed by the Entente powers that Rhalis really regarded him seriously. This action of the Entente, however, converted Rhalis to become a supporter of Constantine's cause and since 1916 he has been devoted to that ruler.

Rhalis is one of the most interesting characters in Greece. He is a polished statesman and is often referred to as a "dear old man." (He is about 80.) His favorite pastime is growing and feeding with his own hands. When not in public office he practices his profession of the law. In his younger days he spent a considerable fortune in politics.

## BASKETBALL SCHEDULE

## GET RID OF THAT COLD IN THE HEAD

If Neglected It May Lead to Pleurisy or Pneumonia.

Just as "tail" oaks from little acorns grow, so is a common cold often the seed from which spring serious diseases such as pleurisy, pneumonia and other lung troubles. Taken at its start, a cold yields to proper treatment. Neglect it and it not only causes serious inconvenience but it is very liable to develop into diseases which are rightly dreaded by all.

This remedy strikes right at the root of the complaint. It keeps the system open, it relieves the malarial pains. It relieves the feverish condition. It comes in capsule form and acts promptly. Two capsules taken three hours apart give wonderful results, and one capsule at two-hour intervals thereafter finishes the work.

Have a box of Grip-Fix in the house. Never be without it these days. On sale at all druggists. 25c per box.

**Notice to Advertisers**  
Casual advertisements for insertion same day should be in the Daily News office before 10 a. m. Changes in advertisements should be on hand before 5 p. m. on previous day.

## WATER NOTICE. USE AND STORAGE.

TAKE NOTICE that Kitimat Pulp and Paper Company, whose address is 701-5 Vancouver Block, Vancouver, B. C., will apply for a licence to take and use one thousand second feet and to store five hundred second feet of water out of Lowe Inlet, Lower Inlet, B. C., also known as Verney Falls, which flows westerly and drains into Lowe Inlet about at its head. The storage dam will be located at (1) Lowe Inlet, (2) Upper Lake, (3) Simpson Lake. The capacity of the reservoir to be created is about 250,000 acre feet and it will flood about 4,000 acres of land. The water will be diverted from the stream at a point about at the head of Lowe Inlet and will be used for power purpose upon the land described as Kum-o-wa-dah Indian Reserve No. 3 and crown lands. This notice was posted on the ground on the 23rd day of November, 1920. A copy of this notice and an application pursuant thereto and to the "Water Act, 1914," will be filed in the office of the Water Recorder at Prince Rupert. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B. C., within thirty days after the first appearance of this notice in a local newspaper. Lowe Inlet, Lower Inlet river, First, Second and Third Lakes, Simpson Lake, Upper Simpson Lake, and the waters flowing into Lowe Inlet being approximately 150 square miles between Greenville Channel and Douglas Channel on the Mainland Coast of British Columbia, in Range 4, Coast District.
