HEART SO BAD

Was not safe to
Leave her alone

Miss Eva P. Vanden Krugersdorf, Ont. writes:—"I feel that I must write and tell you of the great benefit I have received from Milburn's Heart and Nerve Pills. About four years ago I was taken terribly bad with my heart, nerves and fainting spells, and was down in bed for about six months. I doctored with two different doctors and seemed to get better, although the fainting spells would not leave me. I would take such terrible falls, wherever I was, that it was not safe to leave me alone at any time. At last I decided to resort to proprietary medicines and took several different kinds, but seemed to receive but little benefit from them. One day noticing the advertisement of Milburn's Heart and Nerve Pills I decided to try them, and before I had taken more than two boxes I could see they were helping me. I have taken about ten boxes, and am almost relieved of those terrible spells. I sincerely feel that your medicine has proved a blessing to me, and I advise any one troubled with their heart to try them, as I am confident they will find relief."

Milburn's Heart and Nerve Pills are 50c. a box at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

M'MILLAN CO. LOADING CANADIAN HIGHLANDER

Similar Vessel Carries Less Cargo Than Canadian Scottish Because Oil Burner.

H. R. McMillan, of the McMillan Export Co. of Vancouver, who is in the city on his way to Georgetown, says his firm has just been loading the Canadian Highlander at Vancouver with five million feet of lumber. The Highlander is an oil burning vessel.

The Canadian Scottish, which is a coal burner, will carry from 1,400,000 to 1,500,000 feet, the difference between it and the Highlander being in the extra bunker space needed for coal over oil fuel.
