Jewelry Costs Less Now

Since the luxury tax has been abolished nearly all our goods cost you 10 per cent less. The former war tax of 10 per cent is also cancelled, and as gold has not advanced in price very much jewelry is cheaper in proportion to lots of things.

NEW LAWS FOR MANY STATES

Large Program Proposed; Legis-
lation Asked for Sunday Games;
Would Legalize Boxing

NEW YORK, Jan. 19.—Legis-
latures of 15 states and terri-
tories, most of which open their
sessions this month, have before
them formidable programs of tax
reform, dry law enforcement,
election redistribution in accord-
ance with the 1920 census, soldier
bonuses, public improvements,
revision of constitutions, laws for
husband-and-wife, industrial and
suffrage legislation, state aid for
farmers, boxing commissions, new
financing, retrenchment by con-
solidation or abolition of state
departments, anti-radicalism,
automobile regulation, reorgan-
ization of state militias, relief for
public utilities, amendment or re-
peal of primary laws, commission
or "manager" plans for cities and
counties, and pro and anti-blue
law enactments.

Irrigation

California, with its ambitious
\$750,000,000 state-wide irriga-
tion project, leads the states in
the matter of proposed public im-
provements and will ask the
legislators to authorize a survey
of the contemplated enterprise.
Colorado has a big mountain
tunnel in contemplation. West
Virginia solons will be required
to pass laws at the session open-
ing January 15 providing for the
expenditure of \$50,000,000 for
building good roads, for which the
people voted a bond issue at the
recent election. Missouri also
must provide \$60,000,000 road
building legislation.

Establishment of a state con-
stitutional court, urged largely by farm-
ers, and enactment of a bill legal-
izing boxing, in addition to a
proposal to repeal her state
primary law, held unconstitutional
by the State Supreme Court.

Synopsis of Land Act Amendments

Minimum price of first-class land
reduced to \$1 an acre; second-class to
\$1.50 an acre.

Pre-emption now confined to sur-
vived lands only.

Records will be granted covering only
land suitable for agricultural purposes
and which is non-timber land.

Partnership abolished, but parties of not more than four may
arrange for adjacent pre-emptions
with joint residence, but each must
make necessary improvements on respective
claims.

Pre-emptors must occupy claims for
five years and make improvements to
value of \$10 per acre, including clear-
ing and cultivation of at least 5 acres.
Before receiving Crown Grant.

Where pre-emptor in occupation not
less than 5 years, and has made pro-
portional improvements, he may, be
cause of ill-health, or other cause, be
granted intermediate certificate of im-
provement and transfer his claim.

Records without permanent resi-
dence may be issued, provided appli-
cant makes improvements to extent of
\$100 per annum and records same each
year. Failure to make improvements
or record same will operate as for-
feiture. This cannot be obtained in
less than 5 years, and improvements
of \$10.00 per acre, including 5 acres
cleared and cultivated, and residence
of at least 2 years are required.

Pre-emptor holding Crown grant may
record another pre-emption, if he
requires land in conjunction with his
farm, without actual occupation, pro-
vided statutory improvements made
and residence maintained on Crown
granted land.

Unsurveyed areas, not exceeding 20
acres, may be leased as homestead
title to be obtained after fulfilling resi-
dential and improvement conditions.

For leasing and industrial purposes
areas exceeding 640 acres may be
leased by one person or company.

Mills, factories or industrial sites on
timber land not exceeding 40 acres
may be purchased; conditions include
payment of stumpage.

Natural hay meadows inaccessible
by existing roads may be purchased
conditional upon construction of a road
to them. Rebate of one-half of cost of
road, not exceeding half of purchase
price, is made.

PRE-EMPTORS' FREE GRANTS ACT.

The scope of this Act is enlarged to
include all persons joining and sur-
viving with His Majesty's Forces. The
time within which the heirs or devisees
of a deceased pre-emptor may apply
for title under this Act is extended
from one year from the death of
such person, as formerly, until one
year after the conclusion of the present
war. This privilege is also made re-
troactive.

No fees relating to pre-emptions are
due or payable by soldiers on pre-
emption records after June 26, 1918.
Taxes are remitted for five years.

Provision for return of moneys ac-
crued, due and been paid since August
6, 1914, on account of payments, fees
or taxes on soldiers' pre-emptions.

Interest on agreements to purchase
town or city lots held by members of
Allied Forces, or dependents, acquired
direct or indirect, remitted from an-
nuity to March 21, 1920.

SUB-PURCHASERS OF CROWN LANDS.

Provision made for issuance of
Crown grants to sub-purchasers of
Crown Lands, acquiring rights from
purchasers who failed to complete
purchase, involving forfeiture, on full
filament of conditions of purchase, in-
cluding taxes. Sub-purchasers
may not claim whole of original par-
cel, purchase price due and taxes may
be distributed proportionately over
whole area. Applications must be
made by May 1, 1920.

GRAZING.

Grazing Act, 1919, for systematic
development of livestock industry pro-
vides for grazing districts and range
administration under Commissioner.
Annual grazing permits issued based
on numbers ranged, priority for estab-
lished owners. Stock-owners may
form Associations for range manage-
ment. Free, or partially free, permits
for stock campers or travellers, up
to ten head.

Nature's Remedy

ORMES LIMITED

will be taken up by the legislature
of Illinois. Fights against pri-
mary laws are to be made also in
Indiana, Missouri, Nebraska, New
York, New Mexico, North Carolina,
Tennessee, Vermont and Wyom-
ing.

Against Blue Laws

Vermont "liberals" plan an
attack on blue laws of the state
insofar as they relate to observ-
ance of the Sabbath. An effort
will be made, it is said, to modify
the present statutes so as to per-
mit amateur sports, particularly
baseball on Sunday, where the
sport is not commercialized.

Local option such as exists in
Massachusetts, enabling individ-
ual cities and towns to determine
their own practice in the matter
of Sunday games, will be sought.
New Hampshire, Pennsylvania and
South Dakota are also expected to
discuss anti-blue laws. Cali-
fornia, meanwhile, will argue the
merits and demerits of a Sunday
closing bill.

Reorganization of the state
judiciary system and a constitu-
tional amendment proposing that
none but "American citizens,
native or fully naturalized, be
allowed the right of suffrage in
Texas" will be before the law-
making body at Austin, Tex., be-
ginning January 11. Another
Texas bill would exclude Originals
from acquiring land within the
state. Kansas representatives
will have bills before them pro-
viding state aid for highway con-
struction and financial assistance
to farmers in purchasing homes.

Capital Punishment

Capital punishment, as a result
of legal discussion over the Cole-
grammer murder case, will con-
front the Nebraska legislature
and West Virginia will act on pro-
posals to abolish private detective
agencies. The first-named state
also will consider amendments to
laws relating to marriage in order
to make non-support an extradita-
ble offence. California legis-
lators once again will be called
upon to consider the act of 1919,
which was designed to place a
wife on an equality with her
husband, and which was defeated
last Fall.

Many states will be confronted
with the problem of raising funds
to pay soldiers' bonuses voted at
the last election. South Dakota
is pledged to obtain \$6,000,000;
Montana legislators will vote on
the question of a bonus for
40,000 ex-service men; Delaware
lawmakers will take a similar
vote; Connecticut must raise
\$2,500,000 for soldier relief; New
Hampshire, in addition to a bonus,
may exempt veterans' property
from taxation up to \$500 value;
Iowa solons at the legislative
session beginning January 10 also
will consider a soldiers' bonus
bill.

SHORT OF BREATH

Could Hardly Walk
Without Resting.

When you go to a physician to be
examined for any heart trouble one of the
first questions he asks is: "Are you short
of breath?"

Now, when the heart becomes affected
there ensues a feeling of a choking sensa-
tion, a shortness of breath, palpitation,
throbbing, irregular beating, smothering
sensation, dizziness and a weak, sinking,
all gone feeling of oppression and anxiety.

On the first sign of the heart becoming
weakened or the nerves unstrung, our
Lungs, Heart and Nerve Pills are just the
remedy you require. They regulate and
stimulate the heart, and strengthen and
restore the whole nerve system.

Mr. Stephen Cooper, East Chford, N.S.,
writes:—I suffered for five years with
heart trouble. I could hardly walk from
the house to the barn without resting as
I used to get so short of breath. Doctors
could not help me. My wife told me to
get a box of Mother's Heart and Nerve
Pills and I felt better after taking them;
three boxes made me quite well. I am
now helping my son to work on the farm,
and can truthfully say I feel like a differ-
ent man.
