Sport Chat

The Great War Veterans' Association football team of Prince George, has signified its desire to come to Prince Rupert to play the team from the local association and the matter is now being dealt with. The returned men at Prince George, like here, take a prominent part in the sports of the town and are reported to have a good, snappy aggregation of soccerists. A match between the two teams would likely prove very interesting and keenly contested.

One hundred and one games will be played on the Aeropolis Grounds between now and the end of September, according to the dates that have been set aside for the football and baseball associations for the various league series. This means that there are only a matter of thirty days or so on which the grounds will be vacant in the next four months. Certainly there will be plenty of games for fans this summer and nearly every evening or half holiday there will be some match to see, saying nothing of matches that possibly may be arranged with visiting teams.

Professional lacrosse will open in Vancouver on May 21 with New Westminster fighting it out with the Terranials of Vancouver for the possession of the Minto Cup. The following officers have been elected for the season for the B.C. Lacrosse Association: Hon. President, Hon. John Oliver; President, Frank Burd; Vice President, Nels Nelson; Secretary, Fred J. Lynch; Executive, Jack Pattison, Harry Pickering, H. O. Lee, Thomas Gifford, Oscar Swanson and D. A. Marshall. The referees will be: Mickey Ion, Fred Lynch, Wells Gray, George Matheson and Weldy Clark. There is a great revival of interest this season in lacrosse in the south.

SONS OF CANADA WIN BASEBALL GAME FROM RED SOX ONCE AGAIN

In a loose, slow game which proved little more than a battle of unearned runs, the Sons of Canada last evening defeated the Red Sox by a score of 7 to 6. There was a good crowd on hand to witness the match which was played in aid of the Great War Veterans' fund. Before the game the band marched down Third Avenue and Fraser Street and then to the grounds. The game was called after the first half of the seventh inning when the Sox failed to overcome the lead.

The scoring commenced in the second-half of the second inning when Hill walked to first and was brought in by a two-bagger by Anderson, making the first tally for the Sons. In the first half of the third Sid Bazzett-Jones knocked out a neat single-bagger and brought in both the Astoris for the Red Sox. The Sons collected two more runs when Farquhar and Scott came in on a hit by Hill. In this inning Hill was removed from the Red Sox box and was replaced by Harry Astori.

In the fourth inning the Red Sox added three more runs. Frizzell crossed the home plate on a single by Elsey. This was followed with a big miss by Menzie on Third, resulting in Elsey and Harry Astori also coming home. In the fifth inning Scott was walked and stole second and the Red Sox losing the ball, the runner then circled the diamond for a Sons of Canada run.

The Sox failed to score in the sixth and the Sons of Canada made three more, making the score 7 to 5. Anderson and Menzie came home on a double-bagger by Lane who stole third and made home after a close call between third base and the plate. Frizzell added the sixth for the Red Sox in the seventh innings.

The batteries were: Red Sox—White, Astori and Frizzell. Sons of Canada—Ledstrom and Lane.

C. L. Youngman defeated Douglas Stark in the Wanderers Club handicap series last night, score 200 to 139.

TIME TO BUILD, PRICES ARE LOW

H. R. McMillan Curious to Know Why Not More Buildings Going Up.

Why is it that the people here do not build, when lumber is so low? inquired H. R. McMillan, of the H. R. McMillan Exporting Co., when seen by a Daily News representative this morning. "Is lumber not likely to go lower yet?" was the question asked in reply.

"No I do not think so. I do not see how it can. I do not look for any further drop in the price of lumber," said Mr. McMillan. Mr. McMillan was in charge of this district in connection with getting out aeroplane spruce three years ago and before that was chief forester of B. C. He is a shareholder in the Georgetown Lumber Co. and he says the firm is just sending south some clear spruce for shipment to South Africa.
