Naming It.

At the New York Public Library the other day, Paul Terry, the cartoonist, encountered an old friend who is a chemist. "You've cartooned lost of ants and other insects in your 'Aesop's Film Fables', remark the friend, 'can't you think of a good name for my new compounds?'"

"What is it?" asked Terry.

"A terror to insects," exclaimed the chemist with pride.

"Well," drawled Terry, "call it Bugphoo."

It sometimes pays to "let George do it."

It is a well fed cat that licks her "shops."

He who is misnamed is often bossed.

Advertising is often expensive, but it is nothing like as expensive as an empty store and idle clerks. 11

Reduced Prices on Community Silver...

Community Silver has just been reduced about ten per cent, and though we have a large stock bought at the old prices, we want to be among the first to pass along any reduced prices we can. Our Community Plate can be bought right here in Prince Rupert at exactly the same price as in the largest city. You will also find our prices on other standard articles just the same as in larger places, and we are trying to give the people a service so it will pay to trade at home. Any special articles not in stock we will be glad to send for on approval.

Don't Neglect THAT COUGH!

Persistent coughs lead to chronic bronchitis, asthma and permanent chest weakness. Swallowing druggery mixtures into the stomach is useless in bronchial trouble. It needs Peps the breatheable remedy which goes direct to the root of your cough.

As Peps tablets dissolve in the mouth, they give off powerful medicinal fumes which soothe and heal the inflamed breathing tubes, and destroy all disease germs. Peps speedily end chest soreness, clear the bronchials of phlegm and mucus, stop the wheeziness and coughing, and take breathing easy.

Remember, it is far better to prevent pneumonia and other lung diseases among from neglected coughs and colds, than to cure them. Therefore take Peps at the first sign of a cough, cold or chill.
