HEARTBURN LIVER TROUBLE

When the liver becomes torpid and inflamed, it cannot furnish sufficient bile to the bowels, thus causing them to become constipated.

The stomach is also affected. In the case of heartburn there is a gnawing and burning pain in the stomach, attended by disturbed appetite, caused by great acidity. Whenever too much food is taken, it is liable to ferment, and become extremely sour, vomiting often occurs; and what is thrown up, is sour and sometimes bitter.

Other liver trouble symptoms are pain under the right shoulder, yellowness of the skin and eyes, floating specks before the eyes, coated tongue, bad taste in the morning, foul breath, water brash, jaundice, constipation, etc.

Keep your liver active by using Milburn's Laxa-Liver Pills and you will have no heartburn or other liver troubles, being purely vegetable they do not grip, weaken or sicken like the old-fashioned purgatives generally do.

Mrs. Mary Strone, Glasnevin, Sask., writes: "I have used Milburn's Laxa-Liver Pills, and they have cleared me of heartburn and liver trouble. I don't think they can be beaten by any other medicine, and I can highly recommend them."

From Famous Herds

Pacific Milk is the product of the fine dairies in the Fraser Valley. It is the only milk canned in this province—and if you use any other brand you're going 3000 miles to milk a cow—and her milk probably is not as good. The only British Columbia canned milk.

PRINCE GEORGE

About fifty men have arrived at McBride to take the place of Oriental section hands on the railway in that district.

On Saturday night all the clubs in Prince George were raided and the inmates arrested charged with running common houses and being on the premises. The cases have been remanded to allow for counsel to take them up.

Hon. T. D. Pattullo, minister of lands and member for Prince Rupert, and Harry G. Perry, member for Prince George, are reported here to be rivals for the honor of being the best dressed members in the legislative assembly.

Captain D. H. Foster, who has purchased the river boat Quesnel from the Vancouver Quesnel Navigation Co. and is at present here supervising repairs on the boat, predicts that the Fraser River will be navigated for many years longer in spite of the fact that the B.C. Express Co.'s boats are being dismantled and being taken to the McKenzie River. Captain Foster will operate the Quesnel on the river from Prince George.

Charles Millikan, a brother of Mrs. Robert Tyrhurst, is visiting in the city.

A letter received by Mayor Wilson from Frank Garvell, chairman of the railway commission, gives no satisfaction as to the question of selecting a station site and building a station here.

TERRACE

The Klezno Mining and Lumber Co. of U.S. are looking forward to a busy season this year both in lumbering and mining. As soon as snow conditions will permit, the machinery for large sawmill will be installed and an aerial tram for handling the lumber will be installed. It is intended to diamond drill the Valhalla mining property this summer.

D. A. Buchanan, who represents capital from the East, expects to return to Copper City this season to direct development work on some claims on Copper River bonded last summer. There appears to be a probability of considerable mine development in this section during the coming summer.

D. A. McKinnon has moved into the residence of Mr. and Mrs. D. D. Munro who have gone to Victoria to spend several months.

Mrs. Ayres and family and her sister, Miss Pearl Wager, left on Wednesday for Wetaskiwin, Alberta.

FIRE DEPARTMENT IS ALWAYS READY

Its Motto of Preparedness Should Be Applied to Protection of Public Health.

"There hasn't been a fire in the city for weeks," said a citizen the other day. "It seems a waste of money to keep up a fire department that does nothing."

"We don't dishard the fire department because we have a run of luck," replied a ratepayer. "It pays to have those firemen ready, whether they are doing anything or not." And the ratepayer spoke wisely.

Just as the fire department stands ready to protect your property, so does Grip-Fix stand ready to protect your health, being an unequalled remedy for colds. This preparation of drugs such as your physician would use is supplied in capsule form; it gives relief to a cold in a night and works quickly in the case of grippe. Get a box of Grip-Fix today.
