MARGUERITE CLARK AT EMPRESS THEATRE

Famous Little Star in Pretty Role in "All-of-a-Sudden Peggy."

Marguerite Clark is here tonight at the Empress Theatre in a delightful screen comedy called "All-of-a-Sudden Peggy." The title refers to the vivacious little heroine. She is the daughter of Mrs. O'Mara, widow of a deceased scientist, and has accompanied her mother to Hawkhurst, estate of Lord Crackenthorpe. The nobleman is writing a book on spiders and has invited Mrs. O'Mara in order to consult with her. His mother, Lady Crackenthorpe, however, suspects that Peggy has designs on him and summons her younger son Jimmie to divert the girl from her purpose.

He succeeds so well that he falls in love with her. In reality, Peggy is trying to arrange a match between her mother and the lord. Mrs. O'Hara will not marry as long as Peggy is unprovided for. So, to promote the match, the girl pretends to have wedded Jimmie and follows him to his apartment in London to keep up the illusion. Matters thereupon get into a complicated mess, but finally turn out happily for all concerned.

A LESSON THE GOVERNMENT PAID FOR.

Before 1914, Bond Brokers and Bankers were indifferent advertisers. Many who advertised regarded their expenditures as "sop," and thought they were doing publishers a favor.

Then came the Call for War Loans. On the advice of this Association, yet contrary to some Brokers' and Bankers' views, the advertising of these loans was made humanly interesting.

The results you are aware of.

But—here is the real point.

Nearly every Bond House and Bank in Canada is, today, aggressively advertising, and using all the interest and ingenuity at their command to attract business. They observed the power of newspaper advertising, when properly used, and have profited by the lesson.

The same thing is true of some manufacturers, who, noting the results of the Imperial Munitions Board newspaper advertising, have commenced to use the same force to introduce post-war products.

The Government paid for this lesson.

Have you considered profiting by it?

Advertising is not a matter of guesswork. It requires skill and knowledge and experience. It is not something to be lightly undertaken, but it can be undertaken with assurance of success if it is done properly.

If you have ever thought you would like to advertise if you could get proper advice on how to go about it, write to this Association. We will give you the benefit of our experience in starting you on the road to successful publicity

Faint and Dizzy Spells Weakness and Shortness of Breath

You can never tell when the heart is affected by the faint and dizzy spells, the shortness of breath, palpitation, throbbing, irregular beating, smothering sensations, weak, sinking, all-gone feeling, choking sensation, etc.

Many men and women become run-down and worn out when otherwise they could be strong and healthy if they would only pay some attention to the first sign of "heart" weakness.

No remedy will do so much to make the heart regain strength and vigor, regulate its beat and restore it to a healthy and normal condition as Milburn's Heart and Nerve Pills.

"I have used on towards the second box of Milburn's Heart and Nerve Pills and find they have done me good. I had those fainting, dizzy spells, once in a while, and also weakness and shortness of breath, and would become so choked up at times I could hardly sleep without sitting up in bed. When walking too fast I would have to stop and try to catch my breath. I feel a lot better since I have used your pills and know that they have helped me wonderfully as I have improved very much."

Price 50c, a box at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont. Advl.
