Archdeacon Collison Back From Visit to Two Interior Points.

Archdeacon W. H. Collison returned last night from the interior where he visited Hazelton and Kitwanga. At the former place he unveiled last Sunday the Rev. John Field memorial in the Anglican Church and at Kitwanga he held a service at the native church. While at Kitwanga he was the guest of Mr. and Mrs. Horace Du Vernet at Shandilla.

During their stay at Hazelton the Women's Auxiliary of the Anglican Church held a reception in the mission house to enable the ladies of the Hazeltons to meet Archdeacon Collison and Miss Collison. They were also entertained during their visit by Dr. and Mrs. H. C. Wrench at the hospital.

## SOVIET ORDER TO FREE INDIA FROM ENGLISH OPPRESSORS

LONDON, March 4.—Information has recently been received of an "Order of the Day" which was issued on October 10 last year by the Chief Commissioner on the Turkestan front to a Red division ordered from Tashkent to the Pamir. The order runs as follows: "Comrades of the Pamir Division, you have been given a responsible task. The Soviet Republic sends you to garrison the posts on the Pamir on the frontiers of the friendly countries of Afghanistan and India. The Pamir tableland divides a revolutionary Russia from India, that with its 300,000,000 inhabitants is enslaved by a handful of Englishmen."

"On this tableland you, the signallers of the revolution, must hoist the Red Flag of the army of liberation. May the peoples of India, who fight against their English oppressors, soon know that friendly help is not far off."

## EXPERIMENTAL AIR FLIGHTS TO LONDON

Series Being Carried Out From Brookland's Aerodrome to Parliament Houses.

LONDON, March 4.—The air ministry has begun a series of trial flights from Brookland's Aerodrome to Westminster with the object of ascertaining the practicability of establishing a station for hydroplanes or similar craft on the Thames in the heart of London.

In the first flight the Viking, an amphibian, fled from Brooklands in fourteen minutes, circled the houses of parliament and alighted opposite the House of Commons terrace. One or two short flights over the river were also made to demonstrate the rapidly with which they could rise from the water. The average time taken to rise was nine seconds.
