

KANTLEEK

**It Can't Leak,
Because It's Made
in One Piece**

A KANTLEEK is built like a bottle—all in one piece.

Most hot-water bottles are made in sections, then cemented together. When cement dries and cracks, the bottle leaks.

Every Kantleek Hot-Water Bag is moulded of pure soft rubber—one continuous piece. No parts, patches, cement. Even stopper socket is moulded in.

And guaranteed for a full two years' service—or a new Kantleek free.

Don't wait until your old bag leaks. Get a Kantleek. Your old one may leak open tonight.

THE PLAINDALER

Prince Rupert's latest weekly appeared yesterday. It deals with civic election issues without gloves and should be read by all. While some people may take exception to the fact that it deals mainly with the coming civic elections, the publishers would respectfully suggest that the coming election is the most serious and important event of the coming week and year, to the welfare of Prince Rupert, hence the subject being dealt with so fully. A specimen copy of The Plaindealer is being delivered to all houses in town today. If you do not get a copy, phone Blue 89 and one will be sent to you. Next issue Tuesday. Watch for it.—Advl.

LUMBERMEN'S WAGES IN NEW BRUNSWICK

Sixty Dollars a Month with Board
Being Paid in Eastern
Province.

ST. JOHN, N.B., Jan. 6.—Wages in the lumber woods of New Brunswick have taken a big drop this year. The prevailing rate of pay at this time is sixty dollars per month with board, whereas last year it was seventy-five or eighty dollars per month. In one camp a crew that had been receiving sixty dollars a month recently made a demand for ninety dollars. When the increases were refused fifty quit the job at once, but their places were filled in short order by other men who accepted the sixty dollar rate.

So far the pulp mills have been busy cutting their raw materials in the woods, but there are rumors afloat that these will shortly reduce their staffs.

Nearly Crazy With Eczema

No rest day or night for those who are
tormented with that terrible skin disease,
eczema, or as it is often called, salt rheum.

With its unbearable burning, itching and
stinging relief is gladly welcomed.

There is no remedy like Burdock Blood
Bitters for giving relief to such sufferers;
no remedy that has done, or can do more
for those who are almost driven to ex-
tinction with the terrible torture.

Apply it externally and it takes out the
stinging, itching and burning, and pro-
motes a healthy healing.

Take it internally and it gets at the
source of the disease in the blood—for
eczema is a blood disease—and drives it
out of the system.

Miss L. M. Boulter, 89 Victoria Road,
Halifax, N.S., writes:—"I have suffered
for years from eczema. I could not rest
day or night. I suffered great agony, and
was nearly crazy with the itching and
burning. I used all kinds of salves, but
nothing seemed to help me. I saw Burdock
Blood Bitters advertised, and was advised
to try a bottle. I found great relief, and
I really cannot recommend it highly enough
for what it has done for me."

Burdock Blood Bitters has been on the
market for over forty years, and during
that time has been manufactured only by
