PRETTY DANCES AT WESTHOLME

Girls Trained by Mrs. Crewe Proved Most Entertaining Last Night

Last night in addition to the pictures at the Westholme Theatre was a dancing entertainment given by Mrs. Crewe's and Miss Cheston's classes. Some of the work was extremely clever and received merited applause. The training reflects great credit both on the ability of the little folks and on the work of the two ladies.

Possibly the most outstanding feature was the fairy dance by little Margaret Aeland, but the Highland Fling by Misses Ackroyd, Groves, Rogers, McLaren and Aeland, accompanied by J. Sturton on the bagpipes, was excellent as was also the sword dance by Miss Verna Thompson and the

FEATHERSTONHAUGH MADE INSPECTION TRIP ALONG LINE

Has Nothing Definite on Station or Wharf, but Expects Plans will Go Through

W. S. Featherstonhaugh, C.N.R. district engineer, returned to town this morning after a trip of inspection along the line which did not take him East of Edson.

Regarding the new station, Mr. Featherstonhaugh had nothing definite to give out, but was inclined to discount the report that the plans for a brick structure had been abandoned. A wooden station, said Mr. Featherstonhaugh, would not be in the interests of economy.

The ocean dock substructure will be completed by the end of May and Mr. Featherstonhaugh expects that the company will soon be calling for tenders for the construction of the superstructure with a view to getting the work along as far as possible this season.

Anxox is Organized For Season's Sport Would Meet Rupert

ANYOX, B.C., April 20.—The sport outlook here this year is brighter than it has ever been in this town before. The Community League has been reorganized and has taken a new lease of life with Fred Brown as temporary secretary. Mr. Brown was formerly of Victoria and was prominent in all lines of sport in that city. Through his efforts here the Community League is taking charge of all the games and sports in town for the season. Football, baseball and tennis clubs have been organized, the ball grounds are being improved and rearranged and a bleachers' stand is being built to accommodate 200 spectators. The membership of the Community League has doubled in the two weeks Mr. Brown has been in charge.

Both the baseball and football teams are anxious for Prince Rupert to come here to play return games for those played last year during the time of the fair. They say they think it is the turn of the Prince Rupert boys to come here early in the season. They have good teams and would like to take a fall out of their old rivals.

The tennis club is going strong with two courts at the beach and one at the mine. Plans are under way for the construction of a new court near the smelter.

The gun club had its first shoot on the range last Sunday. Mr. and Mrs. H. S. Munro take a special interest in this club and both are good shots.
