Had an Annoying Hacking Cough Got No Rest at Night

Hacking coughs are very wearing on the system. The constant coughing disturbs the rest, and keeps the lungs and bronchial tubes in such an irritated and inflamed condition, that unless you get immediate relief the cough may become settled and serious lung trouble ensue.

There is no better remedy than Dr. Wood's Norway Pine Syrup for relieving all kinds of coughs or colds, combining as it does the lung heating virtues of the pine tree with which is combined wild cherry bark, and the soothing and healing expectorant properties of other excellent herbs and barks.

Mrs. E. J. Ross, Penhold, Alta. writes:—About three years ago I caught a very bad cold, accompanied with a sore throat and hoarseness. I was so hoarse you could not hear me speak. I could get no rest at night with the terrible annoying, hacking cough. I tried several remedies, but they did me no good. I finally saw Dr. Wood's Norway Pine Syrup advertised so I got a bottle. It at once gave me relief, and after using four of them my cough had all gone. Now I always keep it in the house.

"Dr. Wood's" is put up in a yellow wrapper, three pine trees the trade mark. Price 25c and 60c a bottle. Manufactured only by The T. Milburn Co., Toronto, Ont. A.B.L.

WATER NOTICE, DIVERSION AND USE.

TAKE NOTICE that The W. Y. McCarter Co., Ltd., whose address is 645 Third Avenue, Victoria, B. C., will apply for a licence to take and use 200 cubic second feet of water out of Marmot Creek, which flows westerly and drains into Portland Canal about three (3) miles from Stewart, B. C.

The water will be diverted from the stream at a point about one mile from mouth of stream and will be used for industrial, sawmill and mining purposes upon the land adjoining, described as T. L. A. 3817. The applicant will exercise its powers as a Class "C" applicant upon the adjacent territory.

This notice was posted on the ground on the 21st day of January, 1921. A copy of this notice and an application pursuant thereto and to the "Water Act 1914," will be filed in the office of the Water Recorder at Prince Rupert, B. C.

Objections to the application may be filed with the said Water Recorder or with the Controller of Water Rights, Parliament Buildings, Victoria, B. C., within thirty days after the first appearance of this notice in a local newspaper.

The petition for the approval of the applicant's undertaking as a Class "C" applicant will be heard by the Board at a date to be fixed by the Controller, and any interested person may file an objection thereto in the office of the Controller or of the Water Recorder, Prince Rupert, B. C.

Lashed by the Whips of Circumstance

To be lashed into action by the Whips of Circumstance is not an evil.

One needs it periodically to overcome the flatulence of prosperity.

Let us be frank with each other.

Manufacturers, Merchants, Newspaper Proprietors, and Public, we have all had a succession of fat years. Now some of us are timorous at the thought of lean months.

Well, lean months and lean years would be in store if we sat still and wailed --- but not if we show fight.

We are pleased to see fighting spirit awakening.

It is shown by the renewal of Daily Newspaper

The Daily Newspapers of Canada are resolved to do their part to make 1921 a Banner Year. They invite you to travel in their company.

Issued by the Canadian Daily Newspapers Association, Toronto

Advertising Contracts for increased space this year.

But, greater evidence than that---New advertisers are planning to use daily newspapers to reach out for new business with old lines, and to introduce new lines into old established fields.

While such vision, and faith, and courage, is alive in men, there can be no fear for the future.

What of your fighting spirit? What are your ambitions?

Are you going to reach out and fight for business? Well, then, you have one mighty force to aid you--- that is Daily Newspaper Advertising.

And Daily Newspaper Advertising welcomes the challenge.
