FINANCE PROVINCE BY SAVINGS BANKS

Deposits Rapidly Increase in Manitoba Provincial Institution

WINNIPEG, Man., Feb. 24.—The majority of the undertakings of the province will ultimately be financed by the provincial savings banks, Hon. Edward Brown, provincial treasurer, states.

Announcement was made recently by E. A. Weir, chairman of the provincial savings banks, that deposits already exceed \$1,750,000. He predicted that the \$4,000,000 will be reached before the end of the fiscal year. A comprehensive plan for opening branches in every centre of the province is being drafted and will be carried into effect as soon as conditions warrant the extension of the service. Many new accounts are being opened daily at the six branches operating in Manitoba.

Growth of Movement
The sum of \$31,000,000 was required for financing Manitoba during 1920. This included consolidated and capital expenditures, repayment of debentures falling due and payment of interest charges on treasury bills and provincial bond issues.

It is expected that the provincial banks will be able to finance all rural credits and farm loans during 1921. It is anticipated that over \$3,000,000 will be required for these two items during the present year. The growth of the rural credits movement has corresponded to that of the saving bank. Fifty-eight operated in Manitoba last year. It is expected over a hundred will be organized before the end of the year. Loans for 1920 totalled \$1,460,000.

To Be Troubled With Constipation
The Cause of Many Ills

If you do not feel well and go to your family physician, one of the first things he will do is ask you to hold out your tongue. The reason for this is that the condition of the tongue shows the condition of the stomach and bowels.

If you allow your bowels to become constipated you will have bilious attacks, sick headaches, coated tongue, foul breath, heartburn, water brash, etc., and these troublesome piles, which cause so much annoyance and misery.

"Keep your bowels moving regularly and you won't be sick."

In Milburn's Laxa-Liver Pills you will find just the remedy you require for this purpose. They are purely vegetable and do not grip, weaken or sicken.

Mr. Jas. S. Harris, Box 934, Halifax, N.S., writes:—"For two years I suffered with constipation. I could not get anything to cure me, and hardly anything would give me even temporary relief. One day my uncle induced me to try Milburn's Laxa-Liver Pills, and even brought me a vat. I tried them without much faith, but I soon found they were doing me good, and after using the second vat I was relieved of my trouble."

WAS WORTH THOUSAND TO THRASH OFFICER

NORFOLK, Va., Feb. 24.—When ex-Private Samuel Borman, a salesman, several weeks ago paid a \$10 fine for publicly thrashing ex-Captain B. B. Fink, Jr., also a salesman, for alleged mistreatment while both were stationed at Camp Lee during the war, he announced that "it was worth \$1,000." Captain Fink has now taken him at his word, but for good measure instituted civil suit to recover \$10,000.

TAKE MEDICINE IN CAPSULE FORM
Gives Quicker Action—The Ideal Method for Home Treatment.

Why medicines in capsule form are best was recently explained as follows: "The object of taking medicine is to get quick results and also to make the taking as easy as possible. The capsule form does this. The palate does not revolt at the gelatine coating, no matter how repellent to the taste are the drugs contained. The capsule also goes down the throat without inconvenience."

A striking illustration of the effectiveness of capsule form medicine is given by Grip-Fix, a remedy containing just those drugs usually prescribed by physicians for colds or grippe. In its capsule form Grip-Fix provides a reliable home treatment for colds, giving wonderfully quick results. Now that colds are prevalent, get a box of Grip-Fix from your druggist. Sold at 35c a box.
