DO YOU SMOKE TOO MUCH

There are many men on whose heart and nervous system tobacco produces the most serious results. It causes palpitation, pain in the heart, irregularity of its beat, makes the hands tremble, sets the nerves on edge, causes shortness of breath and loss of sleep.

To counteract this demoralizing influence on the heart and nerves there is no remedy so equal.

MILBURN'S HEART AND NERVE PILLS

They make the heart beat strong and steady, restore tone and vigor to the nerves, and remove all the evil results caused by the tobacco.

Mr. Frank Lutes, 71 Terrace Hill St., Brantford, Ont., writes: "I had been troubled with palpitation of the heart for a number of years, and by spells it would bother me a lot. The doctor told me it would stop on the same time if I did not cut out tobacco. When I would get a spell my heart would pound, and I would break out in a perspiration, and get so weak I would have to sit right down and quit my work; also in the night I would wake up and my heart would be going. I should say, about 120 beats a minute. About three years ago I got a box of Milburn's Heart and Nerve Pills, took them, and found that they did the job. I am feeling fine and have gained over 20 pounds in weight."

Price, 50c a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

COL. PECK GETS GOOD RECEPTION AT TERRACE

The following telegram has been received from Col. Peck's committee: "One of the big events of Colonel Peck's trip was his meeting and reception at Terrace last evening presided over by Captain (Big Dan) McGregor who served under Colonel Peck in the 16th. Big Dan made an eloquent appeal for the support of the people of this district for the Colonel. The Colonel in his address dealt with all the vital issues of the campaign to an enthusiastic audience receiving round after round of applause. He recalled the fact that Big Dan McGregor and himself spent the first night in France in the same trench under heavy fire."

LONDON, Nov. 24.—An official investigation is being made into the circumstances surrounding the suffocation of sixty-four prisoners from Mandalay while they were being transferred in a closed railway car in the Mandalay district. There were one hundred prisoners in the car and there is evidence of a fierce struggle by the prisoners for life in the fight for air. Several severely bitten by delirious ones.
