ENTHUSIASM IN SPORT SHOWING

There Was Great Array of Prospective Athletes at Acropolis Grounds at Week-end.

Between Saturday afternoon and Sunday over three hundred athletes visited the Acropolis grounds for practice and this is claimed by those who have been interested in local sports since the earliest days to be the biggest number ever assembled for this purpose in the city.

There is great enthusiasm being displayed and there is a better array of prospects in sight for both football and baseball this season than there has ever been before. A great season is being predicted for Prince Rupert this year.

Tonight there will be a meeting of baseball enthusiasts to organize for the year. This will take place in the Sons of Canada hall. On Wednesday night the annual meeting of the Football Association will be held in the City Hall.

On Saturday afternoon there was a pickup game between the Gaffes and a bunch of youngsters, under Malcolm Lamb, going under the name of the Prince Rupert Athletes. The former were easily winners. The Junior, Intermediate and Senior baseballers also had practices over the week-end.

ENGLAND LEADS IN RUGBY FOOTBALL

France Takes Second Place as Result of Defeating Ireland Saturday.

PARIS, April 11.—In an international rugby football game played here on Saturday, France defeated Ireland by twenty points to ten.

This victory puts France second in the series, with Wales third. England comes first, having won all four matches.

An organization known as the Wallace Shipyard Athletic Club has been organized at the dry dock to handle the athletic and entertainment affairs of the employees at the plant. It is one of the purposes of this club to arrange and enter teams for the various lines of sport in the city and baseball and football are coming under special consideration at the present time. There is a lot of athletic talent at the yard, but enthusiasm seems to be mainly along the lines of baseball. There are, at the same time, a number of likely football players, but these are among the older men.

The club also proposes to stage weekly entertainments at the boarding house. Boxing matches will be a feature of these entertainments and if the ones to follow are as successful and enjoyable as the one put on Friday night the Club bids well to be highly justified in its organization and work. There is also a good deal of musical talent among the shipbuilders and the efforts of the organizers to turn the recreation of its members into the lines of clean sport and healthy entertainment are worthy of high commendation.

The indoor baseball ghost might just as well be buried now. Fans had hoped to see at least a game or so before the winter season had closed, but there seems to have been some inexplicable hitch and the indoor baseballers have fallen down. Whose fault it is seems hard to ascertain, but, anyway, if the old adage "anticipation is better than realization" is true, then everybody ought to be satisfied. We looked forward to seeing an indoor game, but that apparently is as far as we are going to get this time.

A great many parties were out fishing yesterday but no large catches have been reported. Shawatlans Lake was visited by several and others went to Lost Lake, although at the latter place no fish were caught. McNicholl Creek seems to have given better sport, for a number of nice trout were taken there. For some days past good catches have been reported from McNicholl.

PRINCE RUPERT CLUB CLINCH BILLIARD CUP

Wanderers Are Now Unable to Overcome Lead in Series—Played Saturday Night.

Any faint hopes that the Wanderers Club may have had of winning the McMorde billiard cup from the Prince Rupert were put at rest on Saturday night when the latter club, in four games out of the six of the last tournament obtained 764 points to the Wanderers' 681. With but two games to play further and the total score to date standing 6462 to 5794, the Wanderers thus have no chance in winning the series.

The individual scores on Saturday night were:
Fred Stephens (Wanderers), 200; Joe Scott, Jr. (Prince Rupert), 181.
Joe Howe, 200; P. I. Palmer, 183.
C. L. Youngman, 134; J. H. Pillsbury, 200.
G. P. Tinker, 150; S. P. McMorde, 200.
The games between S. King and E. A. Wakefield and R. B. Shockey and J. H. McMullin were postponed.
