Today Anniversary of Magna Charta.

Today is Magna Charta Day, the anniversary of the first of a series of stately steps of the English speaking nations on freedom's highway when the Great Charter was signed by King John of England at Runnymede on June 15, 1215, seven hundred and six years ago.

Symbolic of Freedom English-speaking Races.

The Anglo-Celtic nations are now, more than ever, united in their devotion to the ideals of justice and right in the guidance of human affairs as was set out in the Magna Charta and it has been proposed that its anniversary should be annually celebrated throughout the English speaking world and made the occasion of a re-dedication of the English speaking peoples in the great and lasting principles of liberty.

Churches Should Observe Anniversary.

The event should be celebrated in the churches this year and next Sunday it will form a brief part of the services in many of the great English speaking countries. With the widespread approval of statesmen and clergymen, editors and boards of trade, it would seem but the simple duty of the clergy to take a prominent part in the movement.

The Tortures of Dyspepsia Relieved By "Fruit-a-lives"

LITTLE BRAS D'OR, C. B. "I was a terrible sufferer from Dyspepsia and Constipation for years. I had pain after eating, belching gas, constant headaches and did not sleep well at night. Finally, a friend told me to try "Fruit-a-lives". In a week, the Constipation was corrected and soon I was free of pain, headaches and that miserable feeling that accompanies Dyspepsia. I continued to take this splendid fruit medicine and now I am well, strong and vigorous". ROBERT NEWTON. 50c. a box, 6 for \$2.50, trial size 25c. CENSUS TAKING WELL ADVANCED

Population of Prince Rupert Will Likely Be About 7,000.

John Flewin, census commissioner, is back at his desk in M. M. Stephens' office busily engaged on census matters. Mr. Flewin returned yesterday from a visit to the Skeena River and Anyox, where he had been in connection with his present duties. He reports that everything is running smoothly in regard to the big job he has on hand, and that he expects to be through himself and to have handed in the returns for Northern B.C. by August 1. In regard to the census of Kaion Island it appears that the population will reach nearly 7,000 an increase of seventy-five per cent over that taken in 1911.

By Sections. Showing returns of 950 and 750 respectively, sections 6 and 7 are practically finished. Section 1 and 5, so far, show a population of 1400 each but are not completed yet. There are no returns from Section 8 so far, and Section 2 has not been started on yet.

Mr. Flewin states that his enumerators are having no difficulty with their work, the public generally entering into the spirit of the thing cheerfully and intelligently realizing the benefit to the country at large to be gained by proper statistics being obtained as to population and industries.

While it will take many months, of course, before the public will be in possession of all the information that it is being endeavored to assemble during the taking of the present census, Mr. Flewin is of the opinion that sufficient data will be available to make possible the government bringing forth the redistribution of electoral districts of the Dominion at the next session of parliament.

ESPERANZA MINE HAS BEEN SOLD

Pedro Salinas Sells Alice Arm Property to Edward Elge and Leaves for Spain.

Alice Arm, June 15.—The Esperanza Mine formerly owned by Pedro Salinas, has been sold to Mr. Edward Elge, for a considerable sum. Mr. Elge arriving in town on Thursday, and stated that he is going to start working the property at once. Work will commence on the big quartz ledge and will be extended later on. The property is situated one and one-half miles from Alice Arm, and over \$27,000 worth of ore has been taken out by the Salinas Bros. already.

Pedro Salinas has left for Spain, his home, and will not return. Baldemero Salinas, the other brother, has been missing for eighteen months and is believed to have been drowned at Prince Rupert.

Ten Years Ago in Prince Rupert

June 15, 1911. The trials of the 16 men in Vancouver, who were connected with the rioting here at the battle of Kelly's cut, have just been concluded. Ten of the accused were found guilty, the other six being acquitted. The jury were out twenty-one hours.

A. J. Prudhomme has finally succeeded in getting his license to sell liquor on the premises of the Savoy Hotel renewed, but as the renewal came too late to prevent him putting in an application for a renewal after July 5, it is possible that there may be further difficulties.

J. T. Donaldson is suing the city for damages for injuries received through falling off the sidewalk at Seventh Street and Second Avenue.

Many people read newspapers as much for their advertising columns as they do for news.
