LAPOINTE IS FRENCH LEADER

OTTAWA, Nov. 1.—(By Canadian Press)—Ernest Lapointe, B.A.L.L.D., K.C., member of the House of Commons for Quebec East, the seat made historic by Sir Wilfrid Laurier, is regarded by many as the logical successor of that great statesman especially as regards the leadership of French Canadian representatives in the House. Since his entry into parliamentary life in 1904 he has won for himself a strong position in the liberal ranks as an orator and clever politician.

Mr. Lapointe first went to the Dominion House of Commons in 1904 when he was elected by acclamation in the riding of Kamouraska, succeeding H. G. Carroli, solicitor general, who was appointed to the bench. He was elected at the general elections of 1904, 1908, 1911, and 1917. In 1919 Mr. Lapointe resigned his seat to contest the riding of Quebec East, made vacant by the death of Sir Wilfrid Laurier, and was elected by a majority of 3,939 over F. X. Gauthier in the bye election of October 27 of that year. He will again contest Quebec East in the forthcoming federal election and is regarded as one of the sure victors of the Liberal Party.

Mr. Lapointe is a Roman Catholic in religion and a barrister by profession. He was educated at Rimouski College and Laval University. He is town attorney for Fraserville, Quebec, and crown prosecutor for the district of Kamouraska. Mr. Lapointe was created a King's Counsel by the Quebec government in July 1909.

Mr. Lapointe is known in the House of Commons as one of the orators of the Liberal party, and his speeches, both in English and French, are usually the signal for a full house and crowded galleries. Mr. Lapointe made several forceful speeches last session especially those dealing with the status of the National Catholic Union. The feeling is freely expressed by members of all parties that he will go far in parliamentary life.

WORK.

I am the foundation of all business.
I am the font of all prosperity.
I am the parent of genius.
I am the salt that gives life its savor.
I have laid the foundation of every fortune on the continent.
I must be loved before I can bestow my greatest blessings and achieve my greatest ends.
Loved, I make life sweet, reposeful and fruitful.
I can do more to advance a youth than his own parents, be they ever so rich.
Fools hate me; wise men love me.
I am represented in every loaf of bread that comes from the oven, in every train that crosses the continent, in every newspaper that comes from the press.
All progress springs from me.
Who am I?
What am I?
I am Work.

HEADS That Ache and Pain

It is hard to drag along with a head that aches and pains all the time. In nine cases out of ten, persistent headaches are due to poisoned blood, the blood being rendered impure through some derangement of the stomach, liver or bowels, but no matter which organ is to blame the cause must be removed before permanent relief can be obtained.

BURDOCK BLOOD BITTERS

which has been on the market for the past forty-five years, removes the cause of the headache by starting the organs of elimination acting freely, and when the impurities are carried off from the system, purified blood circulates in the brain cells, and the aches and pains vanish.

Miss Clara Murphy, Centre Dummer, Ont., writes:—"My system was greatly run down and my blood out of order. I suffered a great deal from severe pains in my head which made me feel very miserable. After having tried other remedies I purchased a bottle of Burdock Blood Bitters, and was very glad to notice a decided improvement in my health. I took another bottle and it has done me an enormous amount of good. I have recommended it to some of my friends who were in a similar condition and they all say it is a wonderful remedy."
