### SCIENCE FINDS NEW MERITS IN ALL-BRAN

Has "Bulk" and Vitamin B for Constipation, and Iron for Blood

In the past ten years millions have found Kellogg's ALL-BRAN the safe "cereal way" to overcome common constipation—with the head-aches, backaches, loss of appetite and energy, that so often result. Behind this success is the proved effectiveness of ALL-BRAN. Laboratory tests show ALL-BRAN brings two things needed to overcome common constipation: "Bulk" to exercise the intestines. Vitamin B to tone the intestinal tract. ALL-BRAN also contains twice as much bloodbuilding iron, by weight, as beef

The "bulk" in ALL-BRAN is much like the bulk in lettuce. Inside the body it forms a soft mass. Gently it clears the intestines of wastes.

How much more pleasant it is to use this delicious cereal than to abuse your system with pills and drugs-so often habit-forming.

Just eat two tablespoonfuls daily with milk or cream-sufficient to overcome most types of constipation-in serious cases, with every meal. If you have intestinal trouble not relieved this way, see your

Special cooking processes make ALL-BRAN finer, softer, more palatable. It is not habit-forming. Appetizing recipes on the red-andgreen package. At all grocers. Made by Kellogg in London, Ontario.

# STORY IS

Picturization of "Riders of Purple Sage" is Coming Here This Week-End

"Riders of the Purple Sage," talking picture version of Zane Gray's famous novel of the same name, makes a suitable feature offering on the screen of the Capitol Theatre here for this week-end. The book was said to have been the most popular of Grey's numerous western thrillers and the picture is declared to be a fitting counterpart of the original story.

As for photography, the scenes in Arizona are said to be unequalled. Some great horsemanship is featured in the fast-moving action of the picture.

George O'Brien is good as the quick-shooting hero and Marguerite Churchill makes a very attractive damsel in distress. Noah Beery is a fittingly horrid villain. These are the leading members of a splendid cast which does ample justice to the vehicle in which they appear.
