## STRIKERS ARE STANDING PAT

Voted This Action by 121 to 32 At Meeting in Stewart Last Week.

STEWART, May 28.—The Premier mine strike is still on. A number of men went back to work since the strike was declared but some of them have again quit.

Last Saturday the strike committee wrote the management of the mine offering to accept a fifty-fifty compromise. On Monday, Manager Dale Pitt replied by letter refusing to accept such a settlement. On the next day the strikers held a meeting and the matter was put up to them. They voted by 121 to 32 to stand pat.

There are only about half a dozen men outside of the staff working on the tram line and a similar number at the mine.

## SHIPYARD MEN ENTERTAINMENT

Another of Enjoyable Series Held in Commissary Last Thursday Evening

The entertainment given at the commissary building by the Wallace Shipyard and Social Club last Thursday evening was just as successful and well enjoyed as any of the previous ones.

The program was as follows:

Opening selection by the Harmony Five Orchestra, comprising Mr. Haydon, pianist, Mr. O'Connor, violinist, Mr. Provost, harp, Mr. Brown, mandolin and W. Martin, traps and drums. "Go Lay La, Ouy, Ouy" was rendered loudly and was followed by "Oh, By Jingo."

Recitation, "Othello's Apology Before the Senate" by Thomas Tyson.

Boxing bout, H. Chisholm, 130 pounds, and E. Warren, 130 pounds. This bout lasted three rounds and was keenly contested.

Boxing bout, L. Eldred, 125 pounds, and B. Fitzgerald, 110 pounds. This was a nice exhibition, but Eldred had the advantage with the greater weight.

Selection by Harmony Five Orchestra, "Albion."

Boxing bout, W. Crossley, 90 pounds, and J. Galbraith, 140 pounds. Crossley was very game, but was handicapped by the weight and height of his opponent. It was to have been a decision bout for a pair of boxing gloves, but the referee declared it a draw, so both boys were given shoes.

Heavyweight bout, W. Brown, 165 pounds, and G. Riley, 150 pounds. Neither man had trained and the bout did not amount to much.

Reminiscences by W. Hawkins, ex-lightweight undefeated champion of the west. His stories of some of his old time fights were very interesting.

The last bout was the main event on the program. This was a two round bout between C. Hill and A. Roy which was closely followed by the crowd. After it, Battling Kid Wesley challenged Roy, the winner, to three rounds and the challenge was accepted.

## SOLDIERS LAND SETTLEMENT BY THE PROVINCES

WINNIPEG, Man., May 28.—Administration of the Soldier Settlement Board in Canada should be in the hands of individual provinces rather than under federal control, for provincial government officials in charge of the department of agriculture have a much wider knowledge of provincial conditions than can be possibly prevail in Ottawa, said Colonel Hameley, for many years a member of the British House of Commons, representing the Woodstock division of Oxfordshire, during an interview while visiting this city.

Colonel Hameley is interested in bringing out Imperial ex-service men to Canada to settle on the land, and is desirous of having them colonize in communities where they would be able to keep in touch with their friends. He is also deeply interested in bringing settlers to Canada from the old land to provide them with work.

"England is overcrowded," the Colonel said, "and the only thing that remains to be done is to transplant them to the overseas dominions. This soldier settlement is a splendid attraction for our people who can farm, but I feel sure that the administration could be better handled by provinces."

## TRY HERBS FOR STOMACH TROUBLES

Vancouver Lady Tells of Treatment which Gave Her Relief

Mrs. DeBeek of 2120 Scotia Street, Vancouver, has for years been a sufferer from acute indigestion and stomach troubles. Some time ago she was advised to stop taking drugs and try the great herbal remedy, Wynder Health Restorer. The relief she experienced after taking the remedy for a few months was so great that she describes it as nothing less than wonderful. She strongly advises any person suffering from stomach troubles to at once get in touch with their druggist and start a course of this remedy.

Mrs. DeBeek is only one of thousands who have found out for themselves the marvellous power of Wynder Health Restorer. It is a preparation which contains absolutely nothing but herbs. It is not merely a tonic that corrects matters for a short time only. The herbs it contains acts on the blood, on the gastric juice and other digestive fluids, tone up the system and correct improper action of the organ so as to produce permanent results. In many cases it has given relief after physicians had advised sufferers that only an operation could do any good. The remedy may now be obtained in either liquid or capsule form.

Wynder Health Restorer is sold in Prince Rupert by the Prince Rupert Drug Co. who will be glad to give any desired information concerning this wonderful remedy.

## DELIGHTFUL SALE AND TEA BY LADIES' AID OF RESBYTERIAN CHURCH

Many Called in Course of Yesterday Afternoon at Home of Mrs. J. G. Steen.

The sale and tea held by the Ladies' Aid of the Presbyterian Church at the home of Mrs. J. G. Steen, Rand Block, yesterday afternoon was highly successful in every way and during the course of the afternoon in the neighborhood of 125 ladies called. There were many dainty things for sale at the home cooking booth and the tea tables were very attractive. During the afternoon Mrs. Jack Barnsley and Mrs. William Millar sang solos, accompanied by Mrs. H. Pattinson.

Mrs. Steen was assisted by Mrs. D. McD. Hunter, who had charge of the home cooking tables, and by Mrs. D. H. Morrison and Mrs. W. S. Fisher at the tea tables. Mrs. George Bryant, Mrs. Millar and Mrs. George Wilson assisted in the serving.

## NEW MACHINE WOULD REVOLUTIONIZE COD FISHING ON ATLANTIC

BOSTON, Mass., May 28.—Revolution wrought in the salmon-canning industry by the "Iron Chink" is destined to be repeated in the great codfishing industry of the North Atlantic through a recently developed machine known as the "Iron Splitter." The new machine dresses cod or similar fish, for salting or smoking. Operated by two men, the "Iron Splitter" does the work of 60 to 75 men, who now wield sharp knives aboard the codfishing boats and in the salting and smoking plants of Labrador, Newfoundland, England, France, Norway and Sweden. The "Iron Splitter" will take a fish every second, 60 a minute, into one end and from the other sends it out perfectly dressed, with head and backbone removed, the fish split, thoroughly cleaned and washed, and the back napes removed, ready for salting or smoking.

The important thing to remember is to buy from those who advertise in this paper. These merchants and manufacturers have faith and they are backing their faith with money to stimulate industry and prosperity.
