TOOK PICTURES OF NEW REFRIGERATOR CARS ON ARRIVAL

On the arrival of the first of the new Canadian National refrigerator cars for the export of fish from this port last week, the local fish interests had W. H. Melliar, the photographer from McEae Bros., go to the yards to take some pictures. As a result there are now on view some excellent pictures of the three cars surrounded by groups which include Mayor Rochester, the fisheries committees of the Board of Trade and the City Council, and the local fish buyers. The occasion was deemed a memorable one so its memory is to be perpetuated by the photographic art.
