SONS OF CANADA WON EASILY

Game Last Night With War Veterans Resulted in 3 to 1 Victory.

The Sons of Canada defeated the Great War Veterans at foot ball last evening by a score of 3 to 1, thus scoring the first win in the senior league foot ball series this season. Despite the unfavorable weather there was a good crowd of spectators.

The teams lined up as follows: Sons of Canada—Corkle, V. Menzies, and H. Menzies; Anderson, Shakespeare and Mitchell; Robinson, Swan, Dobbie, Clark and Lane.

Great War Veterans—Youngman; Stewart and Ferrie; Lumsden, Ross and Harding; Kirby, Roberts, Hardy, Schaffield and Nicklin.

The Sons started their game towards the city goal and Dobbie from the opening worked his way through the opposing defence only to shoot just.

The Sons' forwards hovered about the Vets' goal and after ten minutes play, Swan made the first score for the Sons by a close range shot that glanced off Stewart and past Youngman into goal.

Except for spasmodic rushes little combined play was shown by the Vets in attack and Hardy had little opportunity to show his dash. Following some loose-midfield play, the Sons again renewed the attack on Youngman and, from close range, Swan again registered a goal for his team.

Swan, at this stage, was the life of the Sons' attack and gave plenty of opportunities to his partner which were not always taken to advantage. The Vets now entered into the game a little more and Roberts and Hardy both made creditable attempts to open the score but notwithstanding good backing by Ross, their efforts failed to bring results.

At the other end the Sons were more successful and after some nice play by Shakespeare, Dobbie and Swan, the latter again put one past Youngman. The Vets now were making desperate attempts to score and finally, through the combined efforts of Hardy and Lumsden, they managed to get the ball past Corkle for their first goal.

Second Half

With the incline in their favor, the prospects for the Vets were brighter in the second half and they opened with a good deal of dash but they always just failed to carry things through. Play was certainly more even in this period and both teams had numerous attacks foiled by good defence work. Following a good screw shot from Swan, Ross let Kirby away and after making good progress he shot wide of Corkle and lost one of the best opportunities of the game but the same player almost made amends by a clever header on a cross from Nicklin, the ball just going by the post. A little later the Sons were fortunate in saving a good attempt by Hardy, when Corkle in saving seemed to carry the ball over the line but play was allowed to continue by the referee.

The Sons now had a spell of attack and it was well for the Vets that Stewart and Ferrie were playing a tight game for they were kept continually on

THREE NOTED THREE-YEAR-OLDS IN TRAINING AT GRAVESEND AND SEXTET OF JOCKEYS IN QUINCY STABLE.

Knobbie

Sunny Jim

M. Rowan, R. Lancaster, C. Turner, S. Lowe, P. Walls and J. Wessler.

In Sunny Jim, Playfellow and Knobbie Jim Fitzsimmons has a powerful hand in the three-year-old division. These three colts are highly bred and all of them can run. Sunny Jim, which is by Friar Rock out of Lucy M., has never started in a race, but in his recent work at Gravesend his speed startled his trainer, and it is likely he will travel a route.

Knobbie, a stake winner last year is going along nicely and Fitz believes he will improve as the season progresses. Playfellow, the full brother of Man o' War, was a disappointment last season, but he is running more kindly this year, and his trainer is confident he will not disgrace his illustrious brother.

While Joe Mooney, the star jockey in the stable, handles them in all their first trials, there are half a dozen other jockeys piloting them. Fitzsimmons is blessed with good riders. Besides Mooney he has six, any of whom could win with any good horse. They are Rob Lancaster, who was one of the stars in 1923; Maurice Rowan, the veteran, who was an apprentice in the Fitzsimmons

barn; J. Wessler, another "vet," and Pete Walls, Seth Lowe and C. Turner.

Walls is a tiny fellow, weighing sixty-five pounds. As soon as he takes on more weight he will get all the mounts he wants, for he

is a good rider and a fearless one. Lowe rode and won at Havana and Turner had several mounts at New Orleans last winter.

Fitz says he is going to give all of them a chance to ride this season.

Playfellow

Knobbie Jim

PARIS WILL BE SCENE 1924 OLYMPIC GAMES

GENEVA, June 1.—The International Olympic committee in convention at Lucerne has selected Paris as the scene of the next Olympic Games in 1924. Amsterdam, Holland, has been awarded the 1928 Olympiad.

There were arguments advanced for the holding of the games in North America, but these were not acted upon, it being felt by the majority that Europe is still the most popular continent for the events and, in many ways, the most central.

SMITHERS WILL HAVE NEW RECREATION PARK

Grounds Located at Agricultural Park on Lake Kathlyn Road.

The necessity of playing all ball games at Telkwa has at last awakened interest of ball fans in the proposed new ball grounds at Agricultural Park and after an examination this week it was decided to make a strong effort to have the diamond put in shape at once. Quickly the property was laid out and a fine ball ground selected and it was decided to ask for tenders for putting it in shape. Tenders were asked for the work Tuesday, the contract going to Tom Herlihy. The grounds are on the Lake Kathlyn road and the property to be cleared will be five hundred feet on the road by three hundred feet deep. Half of the cost is to be paid by the baseball boys and the other half by the association.

Poor Old Paw!
Willie—Paw?
Paw—What is it, my son?
Willie—Does a seaside resort have a floating population in summer?
Paw—You get to bed, young man! You are getting too smart.

Sport Chat

The Dempsey management cannot think that the big fight on July 2 is going to last very long for Jack Kearns, the "man killer's" manager, has offered to sell the quarter interest that he and the big fellow hold in the moving picture rights of the battle. This is taken as an indication that the present champion intends to win as quickly as possible. Even if the fight does not last very long there will be lots of action while it does. Carpentier is just as determined as Dempsey that the fight is going to be all his way.

At least four Prince Rupert sport fans are going to be in Jersey City for the world's championship battle on July 2. Reservations in the arena have already been made for Ben Self, Fred Stephens, Gillis Royer and Joe Garon. Fred left yesterday on the Princess Mary but he will visit Montreal before he goes south to the States. Ben Self plans to leave here on June 19 and will make a rush trip, being away altogether only about three weeks.

Considering that the Olympiad is an international event and one in which the whole world takes an intense interest it seems rather one-sided that these events for four-times hand running should be held in cities within a few hundred miles of each other. The 1908 was held in Stockholm, 1920 in Antwerp, and Paris and Amsterdam are named as the cities for the next two. It would only seem fitting that America should prepare to entertain the 1932 Olympiad but that is a long time to look ahead. Berlin may be in better favor by that time, even.

Madame Carpentier, the wife of the French challenger for the heavyweight championship of the world, will get returns on the contest by a special news service in Paris. Georges has arranged to send his wife a special message after the bout also. Madame Carpentier does not like to discuss the forthcoming match, she feeling nervous, but she is confident of her husband winning in three rounds.

SAILOR WINNER OF SWEEPSTAKE

Captain Jones Won \$300,000 Premium on 5 Rupee Ticket.

LONDON, June 1.—Captain A. Jones, D.S.O., of the Union Castle Co., won the Calcutta sweepstakes first premium of \$300,000 on an eight rupee ticket which he says he bought for fun. Capt. Jones said that this was the first gambling venture of his life. He has been a sailor for twenty years and is a retired naval officer. He will now retire from active seafaring and proposes to buy his wife a two-seater car.

MIDGETS WON AGAIN IN JUVENILE LEAGUE

The Midgets were again successful in the Juvenile League series by defeating the Falcons in the league fixture on Seventh Street last night by a score of 17 to 11. W. Wrathall was the pitcher for the Falcons and E. Yager, the catcher. Bert Kelly and N. Chenowski pitched for the Midgets with S. Garvich behind the bat. H. Fritzell was umpire, the umpire.

The Juvenile League standing follows:

	W.	L.	Per.
Midgets	3	0	1000
Falcons	1	2	333
Cubs	0	2	000

PLANNING NOW NEXT OLYMPIAD

Meetings Being Held for Three Weeks in Switzerland

LAUSANNE, Switzerland, June 1.—Probable selection of Paris as the place for holding the 1924 Olympic Games is only one of many questions to be decided at the June meetings of the International Olympic Committee and other Olympic organizations. These sessions have already commenced here.

Delegates are being entertained in the buildings and gardens of Montbenon. A sort of club life has been planned for the delegates and their families. Parts of the buildings are reserved for their convenience and which the day's work is finished musical and sporting programs are presented in the gardens.

Five principal topics are being discussed at conferences of the international delegates. These subjects are: The possible addition of a regular winter sports week, preceding the games. These would be held in turn in the winter sports countries, Sweden, Norway, Switzerland and Canada. Decision upon the best way of choosing, and of crowning each year at the games, the person credited with the most remarkable performance in mountain climbing.

Adoption of a permanent program of equestrian sports. Methods for obtaining better cooperation of writers and artists for the literary and artistic competitions of the Olympiads. Formulation of a program that municipalities should adopt to encourage sports and to provide public grounds.

Greek Gymnasium
Revival of the Greek public gymnasium open to all, is one of the subjects to be considered at a conference called by the Olympic Institute of Lausanne, an organization founded by Baron Pierre de Coubertin, the chairman of the International Olympic Committee. The results of all these conferences will be submitted to the governing body of games.

the International Olympic Committee. During the three weeks of conferences there will be a Congress of Olympic committees, representing all participating countries. This congress will be called upon to make final decisions on questions concerning the games—such as the proposed suppression of walking and tug-of-war contests; formulation of definitions of amateur; limitation of entries; composition of juries and a number of pending questions on fencing, rowing, yachting, football, tennis, cycling as well as the proposed revision of the gymnastic program. This congress will consider only matters submitted by the International Olympic Committee.
