WHIST LEAGUE
PRESENTATIONS

Were Made Last Night at Whist Drive and Dance in Catholic Hall

The whist league was formally brought to a close last night in the Catholic Hall when a whist drive and dance was held and the presentations of the trophies in the Fraternal Whist League winter contests were made. The Knights of Columbus, the champion whist team, were the hosts and about fifty members of the league and their ladies were entertained.

The evening started off with a whist drive in which the first prize winners were Mrs. Wick and Joe Garon, consolation awards going to Mrs. Harry Meagher and Fred Wermiz. The various teams of the Fraternal Whist League were represented each by a team of ladies in a separate contest and the winners were the ladies representing the Valhalla Lodge, Mrs. Wick, Mrs. Christiansen, Mrs. A. Alberg and Mrs. Hallberg. The prize was a pennant put up by the Knights of Columbus.

Following the serving of refreshments the presentation of the Dybbaaen Cup to the Knights of Columbus, the winning whist league team, took place. Ald. Dybbaaen, the donor of the cup, made the presentation and Fred W. Moersch, captain of the Knights of Columbus, accepted the trophy. The presentation of the cup for the highest individual score of the season was also made to E. A. Donohoe.

Dancing was then enjoyed for the rest of the evening, music being provided by Charles Baladno. E. A. Donohoe was master of ceremonies and the committee in charge comprised the members of the Knights of Columbus whist team, F. W. Moersch, E. A. Donohoe, J. J. Mulligan, J. H. Meagher, G. J. Quinn and H. LeTourneau.

A silver cup was offered for the most graceful cigarette smoking by ladies at a Tobacco Fair held in London, England, last Sunday. The prize was awarded for the grace, attractiveness and feminine appeal. The fair smokers used cigarettes tipped with ribbed silk, and tea tables figured in the contest, for the handing of a tea cup in one hand and a cigarette in the other offers difficulties for even the most accomplished.

Speaking of the Carpentier-Dempsey battle for the heavy-weight championship of the world, Johnny Kilbane, feather-weight champion, says: "It will go the limit and I don't look for a knockout. I will be pulling for Dempsey, although I think he is up against the stiffest opponent he ever faced. This Carpentier can hit and he is clever, no matter what some people think. Of course if it goes the limit Dempsey will be the winner."

Carpentier is to conduct his training along much more secret lines than Dempsey. Only road work, light exercises and shadow boxing will be done in public by the Frenchman, although boxing matches with his sparring partners may be staged for the benefit of newspaper reporters assigned to cover his training. School Girls' Nerves

"I give my children Nerve Food during examinations, and am sure it helps them," writes a Vancouver lady.

AFTER the long school term the children's nerves are keyed up to the highest pitch. The fear and worry of examinations are often the last straw which brings the nervous breakdown.

It is usually the naturally nervous child who has the greatest ambition, and by denying his or herself the requisite amount of outdoor exercise comes up to the examinations with too little energy and vitality left.

Fortunately the child's system quickly responds to such restorative treatment as Dr. Chase's Nerve Food. The blood is enriched, the nerve cells are replenished
