BIG LEAGUES OPEN TODAY

Games Being Played This Afternoon in Both American and National.

NEW YORK, April 13.—Amid ceremonies and decorations that have become a fixed feature of the annual event, the major league baseball season of 1921 opened this afternoon on the circuits of the National and American Leagues. Incompanied by the blare of the bands, the snapping of flags and the weird loss by city or government officials, selected to throw out the first ball of the year, the players of 16 teams are flashing away on their six months' pursuit of pennants, the winning of which entitles the victors to battle in the world's series, the pinnacle of baseball.

Weather permitting, the schedules bring together in the National League; Brooklyn at Boston, New York at Philadelphia, Pittsburg at Cincinnati and St. Louis at Chicago, while in the American League Cleveland plays at St. Louis, Chicago at Detroit, Philadelphia at New York and Boston at Washington.

INDIAN DROWNINGS WERE ACCIDENTAL

Inquiry Was Held by Dr. Sagar at Port Simpson into Death of Natives.

An inquiry into the circumstances surrounding the drowning of Philip Morrison, a Port Simpson native, at Jap Point while on a gasoline boat en route to Port Simpson, was held on Monday, Dr. Wm. Sagar, the coroner, presiding. It was found that death was due to accidental drowning while the deceased was attempting to push the gasoline boat away from the shore.

Members of the party who were on the launch included the deceased, had been drinking and W. S. Dudoward, seen drunk shortly after the boat landed at Port Simpson, was fined \$30. The inquiry into the death of Joshua Stevens, also drowned in a gas boat accident, resulted in another verdict of accidental drowning being returned.

Tally R. Holmes, of Washington, D.C., has been deposed and Bertrand F. Clark, of Jamaica, is recognized as the new leader of the colored tennis players of the world. This is the first time in five years that Holmes has lost the place of honor.

Westinghouse, the champion soccer team of Canada, will stand or fall this year by practically the same team as won the Connaught Cup last season, all the players, with one or two exceptions, having signed on a win this season.

James B. Mills, 78 years old, a noted rifle shot and three times a member of Canadian Bisley team, died recently in Toronto. Mr. Mills was tied once for the Queen's Cup, won the Kolapore medal and in 1879 won the Governor General's medal.

The coal strike in Great Britain has had quite an effect on the staging of sport events. It seems that horse racing has suffered and several events, including the Newbury race, were suspended. However, interest in the big football games now going on is unabated and with so many idle men the crowds in attendance are if anything larger than usual.
