

Special Enlargements

This Enlarging Machine is a new invention recently brought out by the Kodak Company. It revolutionizes the making of enlargements.

Ten vastly superior prints—just as sharp as the contact prints—are made in the time formerly required to make one. Remember, however, that only good negatives make good enlargements.

Similar scene or subject, to which perhaps a bit of sentimentalism is incomparable for a home decoration. Proof of the pudding is in the eating. Send along your negatives artistically mounted and framed.

LOVE AND YOUTH IN DISGRACE AND VICTORY SHOWN IN PHOTOPLAY

How often are bright college days martyred in the cause of youthful folly. It is this situation in which Evelyn Robertson and Oscar Bennett played the chief parts that caused the upheaval of a class war and piled the destinies of an entire settlement at the feet of Polly Hopkins, played by Mildred Harris Chaplin, in "Polly of the Storm Country," which will be seen at the Westholme tonight.

As Polly Hopkins, Mrs. Chaplin meets Evelyn Robertson while delivering the weekly order of fish to the fashionable Robertson home on the hilltop. She meets Bob Robertson when he by chance stops his roadster at her humble shanty. As fate would have it, Bob and Polly fall in love. And this romance is shattered when Evelyn to save her own face causes Polly to be disgraced.

Misfortunes come thick and fast upon Polly. Her idea that "love is stronger than hate" vanishes and she is enmeshed in a plot to get the revenge that is due her for her sufferings, only to find that her original idea was correct.

HUNTING PARTY IS HOME WITH GAME

Spend Week Cruising in South—Deer on Campania Island.

Capt. Pete Rorvik, Capt. Groves, J. H. Pillsbury, E. C. Gibbons and J. W. Scott returned last night from a week's hunting and cruising trip down the coast. They brought home a fair bag of deer, geese and ducks, and say they found game very plentiful, although they did not hunt much. They went as far as Campania Island, where they got a deer, and also were along Douglas Channel and to Hartley Bay.
