Is Daily News

Fair to Opponent?

In a letter to the editor J. Myhill Jones claims that we are not giving Colonel Peck a "square deal" in this election in that we are not giving good reports of his speeches. This is touching us on a tender spot, for if there is one thing we consider we have done it is to give Colonel Peck a "square deal." When Colonel Peck announced his candidature we gave him the most prominent place we had in the paper and quoted him in regard to his policy. The following week he held a public meeting, a large part of which was devoted to attacking an editorial which appeared in The Daily News, yet we reported him fully. In each of these cases we were complimented by supporters of Colonel Peck on our fairness. Since that the Colonel has held no public meetings in the city. There have been party rallies to which we were not invited and where we should not have been represented even if we had been invited. When another public meeting is held the candidate will be given as much space as is available.

On the return of Colonel Peck from the north we published all he cared to tell us and it was put on the front page, while the return of Mr. Congden from a campaign trip in the interior was published on an inside page the same day.

News of Doings of Our Members.

Mr. Myhill Jones further complains that we give Hon. T. D. Pattullo headlines and front page space whenever he does anything. When Colonel Peck was our member at Ottawa he was always featured on the front page and usually in headlines whenever he did anything, and especially if it was anything for the benefit of Prince Rupert. He was our member and we considered had a right to it. So when our member at Victoria does anything Prince Rupert people have a right to know about it. More than that, our member at Victoria is a member of the Provincial Government, which gives him a double claim to publicity. He is so prominent a man that he is often spoken of as the next Premier of British Columbia. This has to be taken into consideration in regard to publishing news. On the other hand Colonel Peck was a military leader and a Victoria Cross man, and that entitled him to equal prominence, which he always obtained.

In giving prominence to news a news editor uses his own judgment, and mechanical limitations also control in a newspaper office. The people who read a newspaper sometimes wonder why a certain subject is cut off with a few lines when another is given a big spread. Often it means that one happened at a time when copy was needed and the other at the rush hour. On some days there are big happenings in the world and local news is subordinated. Other days there are no great happenings outside and local events are featured. It is sometimes said in newspaper offices that a man should be careful if he wishes to get before the public to time his publicity work when there are no big happenings.

For example, on the day of the Britannia Beach disaster local news was little accounted in the newspaper offices. Everything was subordinated to the big event. If Fred Stork happened to speak on that day, or Colonel Peck, they would have to take minor places, for the tragedy of the floods was uppermost in everybody's mind, and a newspaper man could not ignore its claim on the headlines.

Fred Stork Be Elected.

In regard to editorials we have consistently advocated the return of Fred Stork, and we expect to continue to do so until election day. We believe it would be bad business and bad politics not to elect him. If Colonel Peck should be elected, however, we shall give him full publicity as our representative at Ottawa, for the people of the constituency have a right to know what he is doing, and there is no other way they can learn it except through the columns of The Daily News, the paper that is read by practically everyone.

As a rule we do not care to defend ourselves. On this occasion we could not let the allegation pass that we were not giving a square deal, when we had gone out of our way to do so. We are showing our fairness by publishing Mr. Myhill Jones' letters and those of others who are opposed to the Liberal policy. Can the same be said of other papers?

There is no need to make this a controversy, as The Daily News is not an issue in this campaign. Fred Stork, the candidate, has nothing to do with the paper, but has often criticized it. We are supporting him because we believe it would be best for the community and we have spoken what we believed to be in the interests of the community since the present management took charge. We expect criticism, and undoubtedly shall get it. Just now, however, the issue is between the two candidates.

HEARTBURN BUILDING RINK AT BURNS LAKE

A SEVERE CASE

Many people are troubled with heartburn who really do not realize just what it is.

In cases of this trouble there is a gnawing and burning pain in the stomach attended by disturbed appetite. It is generally caused by great acidity of the stomach, and whenever too much food is taken, is liable to ferment, and becomes extremely sour, causing heartburn. In such cases vomiting often occurs, and what is thrown up is sour and sometimes bitter.

The one way to get rid of heartburn is to keep your liver active by using

MILBURN'S LAXA-LIVER PILLS and you will have no heartburn or other liver troubles such as constipation, jaundice, water brash, floating specks before the eyes, coated tongue, foul breath, etc.

Miss Edith Cutting, Shallow Lake, Ont., writes:—"I have had heartburn for a long time. There were gnawing and burning pains in my stomach, and then when I vomited there was a sour and bitter taste. I used two vials of Milburn's Laxa-Liver Pills, and they have cleared me of my heartburn. I don't think they can be beaten by any other medicine."

Price, 25c a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Big Dance and Turkey Shoot Held Last Monday to Raise Funds.

BURNS LAKE, Nov. 14.—The Burns Lake Athletic Association is one of the liveliest organizations in town, and at the present time it is especially alive. An energetic committee is working on the making of a new skating rink right in town 160 feet side the railroad track. Ground has been cleared and a five foot fence is already up. The rink will be 80 by 180 feet in dimensions. It will be illuminated with gasoline and lights and there will be a cabin dressing room. There will also be hockey nets.

Some time in January, the Gillies' Association plans to stage in the new rink, a big carnival. There will be skating races, ice horse races and hockey games with three or four outside towns represented. Fort Fraser, Vanderhoof, Fraser Lake and Smithers will play hockey with Burns Lake during the winter and there will be some big inter-town games at this bonspiel.

A Turkey Shoot.

The people wondered how they were going to pay for the skating rink so it was decided to hold a turkey shoot and dance on Thanksgiving Day. These were duly put on and the day proved a great success, nearly \$200 being realized.

Twenty birds were provided for the turkey shoot and there were three ranges, 50 yards, 22 club shooting; 90 yards for big rifles, and 200 yard six inch plate shooting, each break taking a bird. The shoot was held on the Indian Reserve and so great was the enthusiasm that three or four persons were lined up all the time awaiting the chance to shoot.

The committee in charge of the shoot comprised A. M. Ruddy, C. E. Imeson, G. S. Wood, J. Hatch and W. Bouham.

The winners were: Ladies' 50 yards—Mrs. W. D. Lukens, Mrs. G. S. Wood.

Plate shooting: P. Carr, Fred Fraser and R. Woodcock.

Ninety yards, open: W. D. Lukens, R. Woodcock, Fay Short, Johnny Short, E. Twadell, R. Gerow, W. J. Ryan, Mr. Robinson and Mr. Reid.

Men's fifty yards: 22's—F. Ramsden, P. Emerson and G. S. Wood.

Then the Dance.

In the evening the big dance was held in the new Omineca Hall. It was one of the big events of the season and 150 people were in attendance. Merriment reigned and, needless to say, a fine time was enjoyed. There was a four-piece orchestra, the musicians being Mrs. Jewell, piano; Clarence Woodruff, drums; George Outram (Vanderhoof), cornet, and O. J. Wheatley (Vanderhoof), violin. A. M. Ruddy was floor manager and P. V. Tallon was on the door. The rink committee which was in charge comprised: A. M. Ruddy, C. E. Imeson, H. D. McNeill, P. V. Tallon and G. S. Wood.

The officers of the Athletic Association which supervises rink matters and other affairs of sport in Burns Lake are as follows:

President—Miles Anderson. Secretary-treasurer—G. S. Wood.

Committee—P. V. Tallon, A. M. Ruddy, C. E. Imeson, Fred Fraser, P. L. Beckstead, Ira Short and M. F. Nourse.
