

The Brunswick

All Phonographs in One

This is the phonograph of exclusive features and distinctive beauty. Playing all records by means of the famous "Columbia" reproducer, it requires but a turn of the hand to adapt it to the Edison, Victor, Columbia or Pathé discs.

The all-wood tone amplifier is another feature making for beauty and purity of tone. The cabinets are of unusual beauty and in a wide range of designs. Every Brunswick is an exquisite union of art, musical and utility.

You are cordially invited to see and hear the various models and compare with all other phonographs.

COMPLETELY FREE OF CONSTIPATION

Tried for Years to Find Relief

"FRUIT-A-TIVES" GAVE IT

Chronic Constipation or insufficient action of the bowels, is one of the great causes of disease. Some authorities even claim that Constipation cannot be permanently corrected. This is a great mistake, because here is the proof that constipation can be cured and the bowels made to act regularly and naturally.

YARMOUTH, N.S.

"For years, I was troubled with Constipation, and had to take laxatives and purgatives all the time. If I neglected to take these, the bowels would refuse to do their work."

About two years ago, a friend advised me to try "Fruit-a-tives", which I did. The first box helped me so much that I obtained further supplies of the remedy and continued the treatment. After using about eight boxes, my bowels were able to perform their particular function without aid.

The relief in my case has been lasting, as up to date, I have never had any further trouble. I can recommend "Fruit-a-tives" to all suffering as I did and I am sure they will derive equal benefit.

A. W. FRANKLIN.

"Fruit-a-tives" are sold by all dealers at 50c a box, 6 for \$2.50, trial size 25c., or sent postpaid by Fruit-a-tives Limited, Ottawa, Ont.

Waltham Watchwords

Saving Daylight

A GOOD deal of daylight is lost because of people not being absolutely sure what the time is. If you want to keep an appointment at 8:45 it's mighty confusing when the kitchen clock says 8:05, the living-room time-piece registers 8:32 and your watch declares it to be 8:14. If you get there too early you lose time. If you're late the other man blames you for losing his time. Uncertainty means loss of time all round. The best thing to do is to carry a Waltham. Because of its unflinching accuracy a Waltham Watch is one of the best devices in the world for saving daylight.

Waltham Watches in a great variety of styles for ladies and gentlemen always in stock. Prices from \$25.00 upward.
