TENNIS CHAMP SEIZED WITH COUGHING FIT

Miss Lenglen Had to Withdraw After Losing First Set to Mrs. Mallory.

FOREST HILLS, N. Y., Aug. 17.—Suzanne Lenglen defaulted to Mrs. Bjurstedt Mallory, United States champion, in the match for the women's national tennis championship yesterday after Mallory had won the first set 6 to 2. Miss Lenglen was seized with a violent fit of coughing and had to be assisted from the courts.

Physicians say Miss Lenglen will be all right after a day's rest.

TEST CRICKET MATCH ENDS IN A DRAW

Sport Chat

The baseball game on Monday night between the Sons of Canada and the Elks which resulted in a tie will not be replayed. This was announced by the Baseball Association yesterday afternoon. It will, therefore, not count in the standing although it counts as a game played. The Sons of Canada's hold on the City League leadership is thus strengthened. There are three games yet to be played between the Elks and the Sons of Canada and unless they lose all three the Sons will be the city champions. The next scheduled game between these two teams will be next Wednesday evening and if the Sons of Canada win it the race will be over as far as the championship is concerned.

There are still five games set down in the regular City League schedule besides the postponed ones, one of which is between the Sons of Canada and the Elks. With the evenings drawing in quickly and it now being difficult to play even a seven inning game before it gets dark, the question is arising as to whether the balance of the games will be played in the evening at all. They would be arranged for the afternoon quickly enough if it were possible to field the teams at that time of day, but this is where the pinch comes in. Sunday games have been suggested but that is not likely for the official minutes of the league are against it and it is not likely they will be altered this year. Two holidays fall next month—Labor Day and Fair Day—and it is likely that they will be taken advantage of in playing some of the games off. Perhaps, a few more clear evenings may be used for seven inning games but they will have to be very fine and all the possible daylight will be needed as well as early starts soon after 6 o'clock.

Arrangements have just about been completed between the Ketchikan Baseball Club and Fred Brown, manager for Anyox, for a series of games in the Alaska town on August 21, next Sunday. The expenses of the boys from the smelter town have been guaranteed by Ketchikan. If Anyox takes up the proposition, Ketchikan will play a return series on Labor Day. Good games are guaranteed for the Anyox team this year is a good, fast aggregation, itself, and the Ketchikan team, while very strong in mid-season when it played Prince Rupert and lost two out of three games, has been weakened by the departure of one or two of the strongest players on the line-up.

CHAMPION PITCHER OF JUNIOR LEAGUES

G. Blythe, Winner of 13-16 Year Olds, Defeats Bert Kelly in Finals.

G. Blythe, aged 14, of the Dry Dock Junior League baseball team, won the championship of the city last night in the pitching contest held by Gil's Cigar Store. Having won the honors in the 13 to 16 year class he was pitted against Bert Kelly, leader of the 10 to 13 year olds, and defeated him by making 13 strike outs in three tries while the younger boy made five. The winner receives as prizes a 17-jewel gold watch and an $11.50 mit. Jack McNulty, aged 14, of the Falcons was runner-up in the 13-16 class, he having made 18 strike outs in two tries. Blythe made 21 strike outs in the same number of tries.

DOCKERS WIN FIRST GAME

Completely Outclassed Athletes in 6 to 1 Game Last Evening.

In a poor exhibition of football last night in which they completely outclassed the Athletics, the Dry Docks were successful in winning the first of the Gilhuly Cup tie games by a score of 6 to 1 and thus advance to the second round to meet the Merchants. At no stage of the game did the Athletics put up serious resistence and at half time the score was 3 to 0 for the dockers, goals having been made through Warren, Kirby and Erskine. In the second half, they added three more scores, two through Warren and one by Erskine, while Eric Mackintosh scored the one and only point for the Athletics on a penalty.

G. S. Russell was the referee and A. Clapperton and W. R. Martin, linesmen. The teams lined up as follows:

Dry Dock—Hughes; Garner and Eldred; Tyson, Cole and Currie; Thompson, Warren, Erskine, Kirby and Butters.

Athletics—Frizzell; G. Mitchell and Mackintosh; Lamb, Davidson and Hamilton; Hill, Smith, Allan, Montgomery and W. Mitchell.

IMPROPER CONDUCT AT SALT LAKES IS TO BE INVESTIGATED

The provincial police has had recently several complaints of improper conduct by certain visitors to the Salt Lakes while bathing. Officers have been instructed to watch the place with a view to stopping any objectionable conduct and measures will be taken against any person whose actions may be questionable. The policing of the Salt Lakes, being outside of the city limits, comes under the supervision of the provincial police. The complaints have been laid by respectable citizens of the city.

PIECE WORK FOR RUSSIA

Effort Made to Increase Production by That Means—Printing Money.

RIGA, Latvia, July 17.—Many experiments are being introduced in the management and supply system of Russian factories in and effort by the Bolshvik government to increase production in order to obtain products to exchange with the peasants for food.

Some time ago a piece work scale was introduced in the hope that this would incite individual workmen to increased efforts. According to a Moscow dispatch, all factory managements have been ordered to carry it into effect urgently and immediately.

In many industrial concerns a collective rationing plan has been substituted for the old system of granting individual rations. Under the new method a whole factory is granted individual allowance of foodstuff and money on the condition that it turns out a stipulated amount of goods.

If the factory is able to produce this quantity with a smaller number of workmen than estimated, the surplus of foodstuffs and money can be distributed among the workmen as a premium.

Easy Money.

The All-Russian Council of Trade Unions has issued a circular pointing out that increases of wages in money payments are inadvisable at this time because this would necessitate an increase in the output of currency which the government is even now unable to print in sufficient quantities. The government is said to have been printing until lately about 200,000,000 of rubles of paper money a month. This amount has been increased to the maximum possible output of the printing machines.
