COLONEL PECK IS MENTIONED

Local Member Likely to Be One of Two Senators, Says World.

The following was published on the front page of the Vancouver World on Monday as a special despatch from Victoria.

Col. Cy. Peck, V.C., D.S.O., M.P., and Joshua Kingham are likely to be the two new senators for British Columbia, according to word brought back from Ottawa by political attaches who have returned since the House of Commons closed. The appointments will likely be announced after Premier Meighen's return from the Premiers' Conference in London and before the next session of the parliament is called later in the year.

The appointments are to fill the two senatorships vacant since the death of Senator Shatford, of the Okanagan, and Senator Macdonald of Victoria.

Col. Peck, V.C., is the federal member of the House of Commons for Skeena, which includes Prince Rupert, his home. He was elected in the Khaki election of 1917 as a supporter of the Union administration. He was one of the commanders of the 16th Canadian Scottish in France. He won his Victoria Cross on September 2, 1918, during the operations connected with the crossing of the Canal du Nord.

Kingham's Record.

Joshua Kingham for years was one of the big Liberals of Victoria until he broke from the party in 1917 over the conscription issue, and was one of the half dozen Unionists who brought out Dr. Simon F. Tolmie, who was elected for Victoria and later became minister of agriculture for Canada. Since then Mr. Kingham has been the chief Unionist counsellor in Victoria, to whom all matters of local importance have been referred by Ottawa.

PIONEER CLOTHIER ADOPTS CASH SYSTEM

The announcement made in another column by Martin O'Reilly of the adoption of a cash system of business is indicative of the trend of business affairs at the present time. This system is becoming more general all over the world in these days. Manufacturers are curtailing their credit terms and it is realized that by eliminating bad debts, it is thus possible for the merchant to sell for less. The cash buyer is the gainer as well as the merchant. By doing this, Martin O'Reilly hopes to be able to bring the price of clothing down to the level of pre-war days.

Joe Bennett, a man with whom the local police have had trouble and who some time ago served time in the city jail, was arrested by the Vancouver police last week and sentenced to six months' imprisonment for having drugs in possession.

EXPRESS COMPANY'S OFFICIAL ARRANGING SHIPMENT OF BERRIES

W. H. Nattress, Route Agent, After Visiting Terrace and Remo Expected Here Tonight.

W. H. Nattress, of Edmonton, route agent for the Canadian Express Co., is paying a visit to the western end of the Canadian National Railways with a view to arranging for the shipment of strawberries from the Skeena River towns to Edmonton, where the most of the crop will go this year. He has been at Terrace and Usk but has now gone back to Endako on other business. He may reach Prince Rupert tonight.

Mr. Nattress expects, if the size of the shipments for the East warrant it, that several express refrigerator cars may be commissioned in the business. It will, however not affect the supply of cars locally to any extent. The Terrace shipments to the East will likely amount to 5000 crates which, at 1000 crates per car, will require five refrigerator cars. From Remo, it is expected, there will be between 1000 and 2000 crates removed. The Vanarsdol crop this season will be very light and possibly there will not be a carload.

ALASKA'S FIRST PULP AND PAPER MILL IS CLOSED

JUNEAU, Alaska, June 30.—Alaska's first pulp and paper plant, operated at Speel River near here, closed recently until there is an increase in the price of pulp.

The Alaska Pulp and Paper Company, which established the plant, a few months ago, said they could not operate at a profit with pulp at the low price of $35.00 a ton, coupled with freight rates of $12.40 a ton to Seattle.

TRADITION UPHOLDS IT!

In 1477, at the betrothal of the Archduke Maximilian to the daughter of Charles the Bold, a ring set with a diamond was used.

Thus as long ago as the fifteenth century the diamond was the accepted bethrothal symbol.

Birks' Diamonds, because of their assured perfection, are doubly appropriate, and our quantity buying gives you an added advantage in price.
