Backache is the outstanding symptom of kidney disease. Women often make the mistake of attributing other causes and overlook the derangement of the kidneys until serious developments have made it difficult to obtain permanent relief.

left the will in his coat pocket and went to town to attend to the funeral. He bought a new suit at the store. The merchant sells all discarded clothing to second hand dealers. In this way the coat has disappeared and was sold to a patron of the junk store the same day. There is a reward for recovery of the deed.

Complications Multiply. Complications multiply upon the return of Signor Monti in the morning. Signor Monti, discovered by the horrified although innocent Mrs. Hawkins, is hidden in the laundry basket, when he makes several unsuccessful attempts to escape. Maddened by jealousy Signora Monti has traced her husband's movements and is convinced that he is with a woman in the building, while Mr. Hawkins' suspicions are aroused by the discovery of a strange pair of men's shoes in the bedroom. With the net closing in on Signor Monti and Mrs. Hawkins she makes a last desperate effort to remove him from her boudoir. They seem on the point of successfully eluding detection, when the Signora appears and identifies the strange shoes as belonging to her husband.

The Denouement. A frantic search of the apartment discloses the Signor hiding in the laundry basket, and Mr. Hawkins is convinced of his wife's duplicity, while Signora Monti threatens her husband's life. Then follows the hilarious climax and a straightening out of complications to everybody's complete satisfaction.

The Man in the Moon SAYS— AMONG the things that don't get you anywhere is trying to protect the home market for the benefit of the manufacturer by taxing yourself on everything you eat. NURSING a grouch is another thing that will make you neither wealthy nor happy. THE optimist is the person who is always talking about his motor boat never having given him any trouble. ONCE upon a time there was a man who never succeeded at anything so he became a baseball expert and distributed his opinions gratis. ANOTHER kind of advice we are constantly getting for the same price and by the same kind of people is political advice. Lives of great men all remind us We can shine in politics. And in shining leave behind us Political and other tricks. SINCE the world series is all over, there is a possibility of De Valera getting back into the headlines this week. THE letters M.P. with some people means "more politics."
