The United States' Opportunity for Peace.

With the way cleared by Germany's acceptance of the Supreme Council's reparation program, America now finds it possible to go ahead with a simple peace declaration which will end her technical state of war with Germany.

English Papers and Irish Question.

English papers say that the Irish situation is gradually going from bad to worse. Far from ceasing, the exchange of abominations between the criminal element in Sinn Fein and the criminals among the British agents in Ireland seems to be going on to fester and fester lengths of atrocity.

Co-operation Instead of Rivalry Urged.

Before the Vancouver Board of Trade visitors had had an opportunity of seeing Prince Rupert last night, they declared that, from all they had heard of this city, they were of the opinion that it had a great destiny and that a brilliant future was in store.

ANOTHER VICTIM OF RHEUMATISM

Entirely Well After Six Weeks' Treatment With "FRUIT-A-TIVES"

MR. AMEDEE GARCEAU, 82 Hickory St., Ottawa, Ont.

"I was for many years a victim of that terrible disease, Rheumatism. In 1913, I was laid up for four months with Rheumatism in the joints of the knees, hips and shoulders and was prevented from following my work, that of Electrician.

I tried many remedies and was under the care of a physician; but nothing did me any good. Then I began to take 'Fruit-a-tives' and in a week I was easier, and in six weeks I was so well I went to work again.

I look upon this fruit medicine, 'Fruit-a-tives', as simply marvellous in the cure of Rheumatism, and strongly advise everyone suffering with Rheumatism to give 'Fruit-a-tives' a trial."

LLOYD GEORGE AND BIG STRIKE

Summary of His Attitude on the Situation.

LONDON, June 10.—Following is a summary of Mr. Lloyd George's attitude on the coal strike as prepared by a London newspaper writer and based upon the British Prime Minister's recent speeches on the strike situation.

The first thing is to get rid of the notion that there are huge profits in the mines and that the grasping capitalists are trying to rob the miners of their share. The mines are not paying because prices tumbled down suddenly.

If the price of home coal were increased the cost of every article would go up.

There is no conspiracy to reduce wages, but the taxpayers cannot be asked to contribute to keep up the wages of one industry.

Government control has done more to destroy the case for nationalization than a million speeches could have done.

The principle of the national pool is a premium on inefficiency. It would mean a gigantic army of inspectors.

If we surrender to the threats and starvation and make an unimprovised peace, we may be irretrievably damaging the industries of the country.

IMPROVEMENTS ABOUT JAIL ARE TO BE MADE

Was Authorized by Police Commission Some Time Ago But Work Not Done.

Various improvements about the city jail, which were authorized by the police commission some time ago but which have not been made, are to be attended to at once. The necessity for a grating inside the cell room door so that visitors cannot have immediate access to prisoners and the better protection of some of the windows were mentioned at the police commission meeting last night and it was decided that the work will have to be given to outsiders if it cannot be done locally.

VIGLA DANA PLAYS ENGROSSING ROLE

In "The Offshore Pirate, at the Empress, Has Part of Girl Kidnapped by Pirates.

Delightful Viola Dana, the effervescent little actress, will be seen by local theatre-goers in the stellar role of "The Offshore Pirate," the Metro production which is showing at the Empress Theatre this week-end.

In this unusual picture, which was adapted from the story of F. Scott Fitzgerald, as published in the Saturday Evening Post, Miss Dana has a part that brings out all her unusual gift. As Ardita Farnham, the girl who is stolen by a modern piratical young man, she excels her previous efforts.

Ten Years Ago in Prince Rupert

June 10, 1911. There was a bad shooting affray at the Cold Storage at noon today, when Homer Wood, crazed with drink, used a gun on Alexander Mathieson, brother of his former partner. The latter, who escaped injury, was unarmed and attempted to escape, tripping, fell on his head and lay stunned for a few moments. Wood, thinking he had killed Mathieson, turned the gun on himself and tried to blow his brains out. The wound is not thought to be serious and, when he recovers, he will face a charge of attempted murder.

The agreement between the city and the G.T.P. on assessment matters was signed yesterday by President C. M. Hays, of the G.T.P. The city seal has been affixed, but it has yet to be approved by the citizens of Prince Rupert, and ratified by the Legislature.

The S. S. Prince Rupert made a special trip around the harbor yesterday, with President Hays and party aboard, before proceeding on its way South.

NO MORE BEER OR SIGNS OF IT AFTER MIDDLE NEXT WEEK

Government Control Will Then Be in Effect and Bars Will Be Out of Business.

After midnight of June 14 it will be illegal to sell or offer for sale any liquor, beer or near beer or to display signs bearing the words, "bar, bar room, saloon" or any other words signifying the sale of malt or brewed beverages.

this at the police commission meeting last night following the reading of a letter from A. M. Johnson, chairman of the liquor control board on the matter. Chief Vickers stated that his men had already notified all persons and places concerned of this and the proper steps were being taken.

It is expected that after June 15, when government sale of liquor comes into effect, many of the local bars will close their doors permanently as far as their present business is concerned.
