Another Epidemic of the Spanish Influenza

A great many authorities have predicted a return of that terrible plague which swept Canada from one end to the other not long ago and left so many deaths in its wake, and those who did survive were left in a great many cases with some serious after effect such as weak heart, shattered nerves, impoverished blood and a general weakened and exhausted condition of the system.

If you are run down, heart not just right, nerves a little shaky, take a few boxes of Milburn's Heart and Nerve Pills and fortify your system against this terrible plague.

If you had the "flu" before and it left you with any bad after effect Milburn's Heart and Nerve Pills will bring you back to health and strength.

Mrs. C. C. Palmer, Keppel, Sask., writes: "I wish to inform you of the great good Milburn's Heart and Nerve Pills did for me. After a bad attack of the Spanish influenza my heart and nerves were left in a very bad condition. I got two boxes of your pills and must say they are the best I ever used, and I have taken a great many different kinds. I will always keep Heart and Nerve Pills in the house."

Price 50c, a box at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont. Adv.

HERB REMEDY DOES WONDERFUL WORK

Private Prescription of Scotch Herbalist Has Brought Relief to Thousands.

A wonderful testimony of the merit of Wonder Health Restorer, the great herb remedy sold by the Prince Rupert Drug Co., has just been received.

On the advice of a Vancouver physician Mr. Golding, now residing in Calgary, took Wonder Health Restorer for a case of Asthma from which he had been suffering for years and for which the best physicians on two continents could give him nothing that would give permanent relief. He writes that after brief treatment he is free from the trouble and has gained 17 lbs. "This," he says "is the only time I have been absolutely free from the distressing disease since June, 1915."

Wonder Health Restorer is a herb remedy, acting on the blood. It does work just as in the case of Mr. Golding on any case of Asthma, Rheumatism, Stomach trouble, Nervous disease, Kidney complaint, Piles, Skin disease, etc. It comes in liquid or capsule form. Call at the Prince Rupert Drug Co. and learn all about the record of this wonderful remedy which has brought relief to thousands.

There may be something you want. See the classified column.

YOUNG MAN WENT BLIND

Otto Rosenholme Stricken on Southbound Steamer—Penniless in Vancouver

Otto Rosenholme, a young returned soldier from this city who last summer was employed as cook on the trawler, Andrew Kelly, and later was employed in a similar capacity at the cold storage plant, became totally blind while on his way south a fortnight ago en route to the home of his parents at Bellingham. Having been refused entry at the United States border line he is now in Vancouver, blind and penniless.

For some time before Mr. Rosenholme left here, it was seen that his sight was failing and just before he left it became particularly bad, so bad, in fact, that he could not see to pick up change from a counter or to walk down steps. He had intended having treatment by specialists in Washington.

Arriving at the border after having been stricken blind, Rosenholme was refused entry to the United States on the grounds that he would be a ward of the state being blind and without money. His parents are reported to be well off.

Rosenholme is but 33 years of age and was well known here, being a big good hearted and popular man. There are a number of persons in town who owe him money, which he had loaned, but in the time of need, none of these would pay back. The case is being looked after in the meantime by the Rebekah and Odd-fellows lodges here and in Vancouver.
