STORK VISITS MINING CAMPS

Holds Successful Meetings at Alice Arm and Anyox and Gave to Interior.

Fred Stork, Liberal candidate for this constituency and F. G. Congdon of Vancouver paid a flying trip to Anyox and Alice Arm at the week end and held two meetings. It was midnight Friday when they arrived at Anyox and arrangements were made for a meeting there Saturday evening.

Proceeding to Alice Arm a meeting was held in the afternoon from 2 to 4 in the Alice Arm hotel and it was splendidly attended and very sympathetic. Mr. Stork outlined his policy and Mr. Congdon also spoke on a number of matters.

Returning to Anyox a meeting was held in the evening. There had been six inches of snow followed by a deluge of driving rain, yet in spite of that there was a good meeting and the candidate was enabled to show they why they should endorse a Liberal rather than an independent.

Mr. Stork and Mr. Congdon arrived in the city last night and left again this morning for the interior. They will hold meetings and visit various points.

Ten Years Ago in Prince Rupert

October 31, 1911.

The fourth annual Methodist Thanksgiving banquet was held last night. Among the speakers were: Rev. Charles R. Sing, Dr. W. T. Kergin, Arthur Collison, William Dean, Rev. W. G. James, Rev. F. W. Kerr, O. H. Nelson, Mayor Manson, Ald. Douglas, Ald. Newton, Henry Murdock, J. S. Cowper, E. L. Fisher, and M. M. Stephens. Alex. Clapperton, Meth Davis and Harry Fletcher sang.

Anthony Ludgate, a lumberman of Pembroke, Ontario, is in the city on his way to Kitsumkalum where he will select a site for a mill which his company, headed by Col. Herbert Mackie, proposes to establish. The company has purchased a tract of timber land one hundred square miles in area and with a stand of a billion feet.

S. P. McMordie yesterday won the gold medal present by the city for range shooting at McNicholl Creek. The silver medal went to G. T. Partington and D. C. Stuart won the bronze

medal. Mr. McMordie has also won the Stork Cup for the best six days shooting over the ranges during the season.

H. S. Sowper and J. S. Sowper today rowed around Kaien Island in a skiff. The trip took six hours.

AMONG the things that don't mean anything may be numbered the excuses a candidate gives for quick turns.

TWINS were born in Eastern Canada and one was named Arthur Meighen and the other Mackenzie King. It was a Meighen trick to christen them by such names.

WHO is going to be the first mother in Skeena elector district to call her boy twins Cyrus Wesley and Fred?

In the Letter Box

PECK NOT THE MAN.

Editor Daily News:
On account of his limited abilities as a speaker and logician Colonel Peck is unsuited for parliamentary work. As a rule a person approaches a subject like this with keen reluctance, but why should that be so? You don't employ a bricklayer who can't lay brick or a pipefitter who is unable to fit pipes, so why should you choose a man to represent you in Parliament who lacks the necessary qualifications.

During his term Colonel Peck introduced a bill for the establishment of returned men in the fisheries business. According to his statement he believed this a just and necessary measure and yet the Colonel withdrew the bill when opposition raised its head. To move a measure is only a preliminary, but to fight for same in the face of opposition tests a man's metal and determines his ability.

No Support for Soldier.

While the war was on the men in the G. E. F. was paid \$1.10 per day, while those who stayed at home received from \$5.00 to \$10.00 per day for their services. Later on when the war clouds had cleared away the members of the G.W.V.A. decided to ask Parliament for an additional dollar a day for the time they had spent overseas. This matter was brought to the attention of parliament and pressed time after time. But did you ever hear of Colonel Peck, the representative of the returned men of Canada, as he styles himself, lifting up his voice in favor of this measure in or out of parliament. As an excuse for not considering this Bill the Government said that they were financially embarrassed. They were not so badly embarrassed, however, but that they could invest millions in a defunct railway and spend other millions in managing or mismanaging same. LOUIS FORKRUUD.
