Those Nasty Little Pimples

That come on the Face Are Caused by Bad Blood

Many an otherwise beautiful and attractive face is sadly marred by the unsightly pimples and various other skin troubles, caused wholly by bad blood.

Many a cheek and brow cast in the mould of beauty have been sadly defaced, their attractiveness lost, and the possessor of the "pimply face" rendered unhappy for years.

Their presence is a source of embarrassment to those afflicted as well as pain and regret to their friends.

There is an effective remedy for these facial defects and that is Burdock Blood Bitters, the old reliable medicine that has been on the market for over 40 years.

It drives out all the impurities from the blood, and leaves the complexion clear and healthy.

Mrs. James Williams, Waterford, Ont., writes:—"My face was covered with pimples for nearly a year. I used different kinds of remedies to get rid of them and finally thought there was no relief. A friend suggested in one day and told me I should try Burdock Blood Bitters. I did so and used three bottles and found the pimples were all disappearing from my face, and now I have a clear complexion again."

Next Monday being Easter Monday the city council will have its regular meeting on Tuesday night.

The "hobo hat," which arrived here on Wednesday, made the trip to Ansox on the Prince George and will be sent north on Monday by the Princess Mary. On its return here it will be placed in the city passenger agent's office window for a few weeks before being sent east over the railway.

Outlines Diseases for Which They May Be Used to Advantage.

A booklet which should be in every home is "The Road to Health," copies of which may be secured from the Prince Rupert Drug Co. It gives a full story of the use of herbs in the treatment of disease and the actual experiences of those who have tried such treatments. The booklet outlines the work of the great herbalist who gave the world and gives case after case where this wonderful remedy has done what drugs and doctors failed to do.
