DR. WRINCH RETIRES

Dr. Wrinch of Hazelton, who for a number of years has represented Skeena in the Legislature, announced recently that he would retire at the close of his present term. While it seems likely that the term will not expire until next spring or summer, it is not out of place to mention that the Doctor's retirement will be regretted by men and women of all political shades of thought.

Dr. Wrinch is more advanced in his views than the average citizen and that is one reason for what might seem to be failure in some of his policies. When the Liberals came into power the Doctor could not see why all business which had been heretofore done with the government by Conservatives should immediately be turned over to Liberals. He thought if the Liberals started a "no politics" policy it would be followed later by their opponents. Accordingly he recommended that the business be divided, some going to Liberals and some to Conservatives. This caused some heartburning in Liberal ranks but he stuck to his plan and kept it up until the advent of the Tolmie administration. Then to his sorrow he saw the old party system return in full force and his Liberal friends who had shared the government patronage during the time their party was in power found themselves with nothing on their opponents taking office. At any rate that is the story that comes from the interior.

WHY NOT START NOW?

Dr. Tolmie has announced himself a unionist. He is said to be against the party patronage system. Here is his opportunity to show the electors that he is in earnest. Let him at once issue decisive orders to all his subordinates throughout the province that there is to be no such thing as party patronage from this time on. If he does this we shall believe that he means what he says when he asks for the support of the electors. If he fails to do that we shall know that he is not sincere but that the "no politics" cry is simply an election subterfuge.

TRAVELING MAN ENDORSES ALL-BRAN

Says It Brought Relief From Constipation

"I want to take this unsolicited means to tell you what ALL-BRAN has done for me.

"I am on the road all the time, and this has a tendency to constipate me, or any one who travels all the time. I used to suffer a great deal from constipation, until some one told me about Kellogg's ALL-BRAN. Since I have been eating this cereal, I have been cured of constipation. I heartily endorse it to any one suffering as I did."—Mr. B. F. Pollard. (Address on request.)

Constipation is caused by lack of two things in the diet: "Bulk" to exercise the intestines. Vitamin B to tone the intestinal tract. Laboratory tests show ALL-BRAN provides both. At the same time, it supplies iron for the blood.

The "bulk" in ALL-BRAN is similar to that of lettuce. Within the body, it forms a soft mass, which gently clears the intestines of wastes. Being a *natural* corrective ALL-BRAN is not habit-forming.

How much better than risking pills and drugs — so often harmful. Two tablespoonfuls daily will overcome most types of constipation—serious cases, with every meal. If you have intestinal trouble not relieved this way, see your doctor.

Serve ALL-BRAN as a cereal with milk or cream, or use in cooking. At all grocers in the red-and-green package. Made by Kellogg in London, Ontario.

Crew of Grain Ship Honored

Delightful Social Function By Varden Singers Last Night in St. Paul's Lutheran Church

Officers and crew of the Norwegian grain ship Danwood were entertained by the Varden Singers at a delightful social function last night in St. Paul's Lutheran Church. There were about sixty guests present and many more would have been invited had the capacity of the church permitted.

John Dybhavn, at the opening of the proceedings, gave an address of welcome. Appropriate talks were also given by John Fenness, Rev. P. M. Fosse and others. On behalf of the officers and crew of the ship, the second officer and the chief officer responded suitably. During the evening there were selections by the Varden Singers. Delicious refreshments were served by ladies of the Varden Singers.

Use of Telkwa Coal is Again Urged on Board

A letter from F. M. Dockrill, operator of the Bulkley Valley coal mine, while expressing appreciation of a decision of the board to order slack coal from his mine, pointed out that slack coal was merely a bi-product and could not be supplied unless other coal produced could be disposed of. Mr. Dockrill pointed out that Bulkley Valley coal was now used exclusively for many purposes by the Canadian National Railways. The letter was filed.

The board, on recommendation of the house committee, gave an order to C. C. Ketchum for supply of ten tons of Telkwa slack coal at $6.30 per ton. Philpott & Evitt tendered $6.30 per ton and the Prince Rupert Feed Co., $6.40. The order was given to Mr. Ketchum in view of the fact that Philpott & Evitt had received another coal order.

Employees' Sick Pay is Approved

Hospital Board Ratifies Resolution Sent By Executive Committee to Convention

The hospital board last night gave its approval to a resolution conveyed by the executive committee to the recent convention of the British Columbia Hospitals Association putting the local board on record as favoring a policy whereby, in case of illness or injury in no way connected with their employment, all employees of the hospital be given one month's pay and retained on the staff at the discretion of the lady superintendent.

There was considerable discussion as to whether this policy should apply to the domestic as well as the nursing staff of the hospital. Dr. C. H. Hankinson did not think it should but this attitude was not supported by other members of the board who believed all employees should be accorded similar treatment.

Improvements at Hospital Carried Out 'Tis Reported

The house committee of the hospital board has decided not to consider the idea of putting gypsum dry insulates in the hospital building but is going further into the advisability of doing so in he nurses' home.

Reporting for the house committee, Ald. G. W. Rudderham stated at last night's board meeting that plastering and some other improvements which had been authorized at the last meeting had been carried out.

W. M. Brown, chairman, reported that a test had been made of the heating plant in the nurses' home and it was believed that radiation was adequate providing a good fire was kept going.

Fined For Setting Out Fire Without Having Permit

Divisional headquarters of the provincial police here have been advised that Albert Sattler of Francois Lake was recently fined $25 and $5.95 costs by Stipendiary Magistrate R. W. MacGowan at Burns Lake for setting out a fire without the necessary permit.

Also in Stipendiary Magistrate MacGowan's court a charge against Knute Nyvsen of Burns Lake of failing to do his utmost to prevent the spread of a forest fire was dismissed.

VANCOUVER WHEAT

VANCOUVER, Sept. 23— Wheat was quoted at 48⅛c. on the local Exchange today.

A letter from Provincial Royal Jubilee Hospital at Victoria, informing that $25 is the usual rate paid on each occasion in the case of persons giving blood for transfusion purposes, was read at last night's meeting of the hospital board

FOXX MAKES TWO HOMERS

Despite This, Philadelphia Athletics Unable to Defeat Yankees Yesterday

PHILADELPHIA, Sept. 23—Despite two home runs during the game by Jimmy Foxx, which brought his season's total up to fifty-six, the Philadelphia Athletics were unable to win yesterday's American League baseball game at Shibe Park here, the New York Yankees emerging victor in the tenth inning by the margin of one run.

In the National League, the running-up Pittsburg Pirates shut out the pennant-winning Chicago Cubs at Wrigley Field in Chicago.

The St. Louis Cardinals, by defeating the lowly Cincinnati Reds at Sportsman's Park in St. Louis, were finally able to move into exclusive possession of sixth place ahead of the New York Giants who lost to the Brooklyn Dodgers at the Polo Grounds at New York.

Yesterday's Big League scores:

AMERICAN LEAGUE

New York 8; Philadelphia 7.
Washington 4; Boston 2.

NATIONAL LEAGUE

Pittsburgh 7; Chicago 0.
Brooklyn 7; New York 2.
Cincinnatti 5; St. Louis 8.

HUTCHINSON IN LONDON

"Flying Family" in Old Country Now Following Failure of Flight Across Atlantic

LONDON, Sept. 23:—Col. and Mrs. George R. Hutchinson and family, whose projected flight across the Atlantic Ocean failed a couple of weeks ago when their big amphibian plane was wrecked near Angmagsalik, Greenland, arrived here last night.

Landed in Scotland by their rescue ship, the trawler Lord Talbot, they had intended to fly into London but the commercial plane, in which they were making the trip, had trouble and they had to drive in by automobile the last 20 miles.

Every man is worth just so much as the things are worth about which he busies himself.—Marcus Aurelius.

BADMINTON ORGANIZED

Skeena Club Has 36 Members Enrolled With Play Starting Soon; Norrington President

With 36 members enrolled, Skeena Badminton Club was last night reorganized for the forthcoming winter season. Play will commence on October 1 in the I. O. D. E. Hall on Fifth Avenue East. Officers were elected as follows:

President, C. J. Norrington.
Vice-President, Robert Bartlett.
Secretary - Treasurer, Norman Bamford.

Executive—Shelford Darton, Mrs. Robert Blance, Roger Cornish, Miss Margaret Palmer and Ronald Bailey.

Hospital Shows Surplus During August Month

Due to the fact that, during the month of August, the city had paid over per capita grants covering April, May, June and July, the Prince Rupert General Hospital showed a surplus of $3208.43, according to the financial statement for the month presented at last night's board meeting by Frank Dibb, chairman of the finance committee. Collections for the month were $7741.23 and disbursements, $4532.80.

There were 1446 hospital days during the month at a cost per day of $3.14.
