A Stitch in Time

Quick action is the only hope when kidney disease appears.

There is a whole train of dreadfully painful and fatal ailments which soon follow any neglect to get the kidneys right. Among others are rheumatism, lumbago, Bright's disease, hardening of the arteries and high blood pressure.

In Dr. Chase's Kidney-Liver Pills you will find a treatment which is both quick and thorough.

Mr. C. E. Raymus, Lindale, Alta., writes:

"I was a great sufferer from kidney disease and lame back for more than a year. A friend of mine one day said to me of Dr. Chase's Kidney-Liver Pills, and acting upon his advice I tried a dose. After I had taken one box I felt better, and I continued until I had used five boxes. By this time I felt as well as stone as ever, and am glad to recommend Dr. Chase's Kidney-Liver Pills to anyone suffering as I did."
