WINNIPEG PUTS TAX ON CATS OF CITY

Reason That City Infested With Too Many Toms and Tabbies.

WINNIPEG, July 2.—In spite of furious protests from cat-lovers the Winnipeg city council has decided to impose a license upon all toms and tabbies of the town. Cat-owners must in future pay an annual license of one dollar a year, and pussy must wear a small aluminium tag properly numbered or run the risk of extermination.

Among the reasons given for this action is that Winnipeg is infested with hordes of cats and the city bird life is suffering in consequence.

The suggestion should receive support from fish lovers in the city, also the Bird and Game Protective association.

JUDGE SYMPATHIZES WITH YOUNG BRIDE

Then Has to Sentence Her Just-Wedded Husband to Three Years.

ST. CATHARINES, July 2.—Frederick Masten of Brantford was sentenced to three years in the Provincial Penitentiary by Judge Campbell after having been convicted by a jury last week of attempting to enter the house of W. J. Elliott. Before going before the Judge Masten was taken into the Grand Jury room, where he was married to Miss Irene Pearcey of Brantford by Rev. Canon Broughall. The Judge extended his sympathy to the young bride. Masten is also wanted at Simcoe for theft, a bail bond of \$6,000 having been exonerated last week because of his failure to appear in court there.

Synopsis of**Land Act Amendments**

Minimum price of first-class land reduced to \$10 an acre; second-class to \$15 an acre.

Pre-emption now confined to surveyed lands only.

Records will be granted covering only land suitable for agricultural purposes and which is non-timber land.

Partnership pre-emption abolished, but parties of not more than four may acquire for adjacent pre-emptions with joint residence, but each making necessary improvements on respective claims.

Pre-emption must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 1 acre, before receiving Crown Grant.

Where pre-emption in occupation not less than 1 year, and has made proportionate improvements, he may, because of ill-health, or other cause, be granted intermediate certificate of improvement and transfer his claim.

Records without permanent residence may be issued, provided applicant makes improvements to extent of \$100 per annum and records same each year. Failure to make improvements or record same will operate as forfeiture. Title cannot be obtained in less than 1 year, and improvements of \$10.00 per acre, including 5 acres cleared and cultivated, and residence of at least 1 year are required.

Pre-emption holding Crown grant may record another pre-emption, if he requires land in conjunction with his farm, without actual occupation, provided statutory improvements made and residence maintained on Crown granted land.

Unsurveyed areas, not exceeding 20 acres, may be leased as homestead; title to be obtained after fulfilling residential and improvement conditions.

For grazing and industrial purposes areas exceeding 400 acres may be leased by one person or company.

Mill, factory or industrial sites on timber land not exceeding 100 acres may be purchased, conditions include payment of stumpage.

Natural hay meadows inaccessibility by existing roads may be purchased conditional upon construction of a road to them. Rebate of one-half of cost of road, not exceeding half of purchase price, is made.

PRE-EMPTIONS FREE GRANTS ACT.

The scope of this Act is enlarged to include all persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for title under this Act is extended from one year from the death of such person, as formerly, until one year after the conclusion of the present war. This privilege is also made retroactive.

No fees relating to pre-emption are due or payable by soldiers on pre-emption recorded after June 26, 1918. Taxes are remitted for five years. Provision for return of moneys accrued, due and been paid since August 4, 1914, on account of payments, fees or taxes on soldiers' pre-emption. Interest on agreements to purchase town or city lots held by members of Allied Forces, or dependents, acquired direct or indirect, remitted from settlement to March 31, 1920.

SUB-PURCHASERS OF CROWN LANDS.

Provision made for issuance of Crown grants to sub-purchasers of Crown lands, acquiring rights from purchasers who failed to complete purchase, involving forfeiture, on fulfillment of conditions of purchase, interest and taxes. Where sub-purchasers do not claim whole of original parcel, purchase price due and taxes may be distributed proportionately over whole area. Applications must be made by May 1, 1920.

GRAZING ACT, 1912.

Provision for systematic development of livestock industry provides for grazing districts and range administration under Commissioner. Annual grazing permits issued based on numbers ranged, priority for established owners. Stock-owners may form associations for range management. Free, or partially free, permits for settlers, campers or vacationists, as per law.

WELCOMING OF NEW GOVERNOR

Ambitious Ceremonies at Quebec and Ottawa Proposed for Lord Byn.

OTTAWA, July 2.—(By Canadian Press).—Once every five years the people of Canada bid an affectionate farewell to a governor general, and, with a great warm heartedness, immediately welcome the incoming representative of His Majesty, the King. In that welcome there is much of form and ceremony, curiosity and red tape, but under it all there lies a tremendous desire to assure the new governor general that he is right welcome. Perhaps history will never record a more determined attempt to make a governor general feel "at home" than the welcome that will be extended to Baron Byng of Vinny, soldier and statesman and the popular and honored leader of the Canadian Corps in France and Flanders.

The ships bearing His Excellency the Duke of Devonshire to England and Lord Byng to Canada will, as is usual, pass in mid-ocean. With the arrival of Lord Byng at the port of debarkation—Quebec, the serious business of installing the new governor general will commence. The docks will be lined with troops; flags will fly; guns from the harbor forts will thunder forth their salutes. It is not a simple ceremony. It is governed by the rules of precedence and the table of precedence.

Swearing In.

Leaving the boat the Governor General will be taken to the provincial legislative chambers where he will be "sworn in," sign the Oath Book, issue his proclamation bidding the government continue to function, after which he will board a special train for Ottawa to be again welcomed and cheered before proceeding to Government House.

During the ceremony of installation at Quebec, guards of honor will stand outside the building and as in the past the streets will be lined with soldiers. This serves the double purpose of doing honor to Baron Byng and keeping the curious along the route from jamming the roadways. A salute of 19 guns will also be fired.

Welcome Reception.

Following the installation it
