PRINCE RUPERT WINNERS TWICE

Afternoon Baseball Game Was Close Affair, 4-3; Evening's Game Loose.

Prince Rupert was successful in winning both baseball games from Ketchikan yesterday, the first in the afternoon by a score of 4 to 3, and the second one, in the evening, by 14 to 8. The afternoon game was by far the best both in quality of ball played and in enthusiasm from the side lines. Both games were attended by large crowds and interest was keen, differing in this respect from last year's games.

The first match was a pretty tight affair and there were only one or two occasions when the bases became in any way filled. Twice matters looked critical for the home team but both times the field got behind the battery and, playing air tight ball, managed to pass the crises successfully. The batteries were: Frank and Chamberlain for the visitors, and Corkle and Shakespeare for Prince Rupert. The excellence of the fielding on either team eclipsed any other features of the play. There was practically no fumbling and errors were equally divided, three on each side. The work of Easson, on second base, and Vic Menzies, on third, for Prince Rupert was worthy of special note, both players playing practically airtight ball. There is also a good deal of credit due to Shakespeare, the pitcher, who managed so suitably after practically rising from a sick bed to play the game. Prince Rupert made one run in the third inning and three in the seventh. Ketchikan rallied in the eighth and made two runs. In the last frame, they scored another run and narrowly missed.

Shakespeare may have been sick but he didn't play that way.

ed the equalizer on a very close decision when their runner was pht out at the home plate, the game this ending.

Afternoon Lineup.

The lineups were as follows: Ketchikan—Moran, 1b; Kuby, ss; Ireland, 2b; Miller, 3b; Frank, c; Williams, cf; Anderson, lf; Halsen, cf; and Chamberlain, p.

Prince Rupert—Hardy, rf; Anderson, ss; Menzies, 3b; Clementson, cf; Shakespeare, p; Easson, 2b; Lane, lf; Mononey, 1b; and Corkle, c.

Two baggers were made by Lane and Mononey and a three base hit by Halsen. Ketchikan made seven hits and Prince Rupert six. Shakespeare struck out nine men, and Chambers, five. There were two double plays both for Rupert, the first from Anderson to Easson and the second, from Hardy to Corkle. Winsby was the balls and strikes umpire while Simpson, of Ketchikan, handled the bases.

Evening Game.

The evening game was not nearly as close a match as that in the afternoon. Neither battery put up such good work but the support accorded the Prince Rupert pitcher was much superior to that which the Ketchikan man received. On several occasions the latter's field appeared to stand inactively behind him and there many errors. Donohoe and Clementson were the battery for Prince Rupert and both went through the entire nine innings. In the sixth inning the Ketchikan catcher, Frank, undoubtedly one of the stars of the visitor's team, was unfortunate enough to break his hand when he became entangled with Colter who was sliding home. Dr. Tremayne was called into the field. It will be much regretted by Prince Rupert that this excellent player will likely be out of the game for the rest of the season as a result of the accident. If Ketchikan did show any signs of resistance before

his, they went by the board after the accident to the battery and the team absolutely failed to stand up further. Moran pitched six innings for the visitors and was then replaced by Otto Anderson. After the accident to Frank, Ireland went behind the bat for Ketchikan.

SONS OF CANADA WON FOOTBALL

Carried Dominion Day Cup Over Vets by Score of 2 to 1.

The Sons of Canada were victorious yesterday in winning the Dominion Day football cup from the Great War Veterans by a score of 2 to 1. The play throughout the game never reached a high standard and fell far short of last year's final in quality. Both teams played about equally and the game might well have called for a replay. However, the Sons took their chances and are to be complimented on winning.

The teams lined up as follows:

S.O.C.—Thompson; V. Menzie and H. Menzie; Anderson, Shakespeare and Mitchell; Robinson, Bobbie, Swan, Clark and Lane.

G.W.V.A.—Bryce, Ross and Stewart; Lundsen, Griggs and Davis; McGrate, Hartshorn, Hardy Wiggins and Harding.

Referee—R. Mercer, Linesman—J. Vickers and A. Clapperton.

The Vets won the toss and the Sons commenced the game kicking up hill. The Vets were the first to attack. Wiggins sending past from good position, while Hartshorn, shortly afterwards had a good try which just skinned the bar. Weak defence work by Shakespeare allowed the Vets to continue the attack, but ultimately the Sons got to the other end and, after Stewart had completely missed his kick, Swan failed miserably with a weak effort. Clark forcing a corner which was cleared. The Vets were certainly lucky when, what looked like a certain penalty, went unseen by the referee. Play was transferred to the other end but an abortive corner was all that resulted. Wiggins afterwards had a dangerous attempt with his head from a fine centre from Harding. Slowness was very noticeable in his play of the Sons and their forwards were well looked after by the Vets' defence. Lundsen, of the Vets' right had a great try. Thompson being right there however. After some loose attacking by the Sons, Stewart drove the ball well down the field and Wiggins getting possession, let Harding away on the left and with a long drooping shot which seemed to be extended for a centre, he beat Thompson and gave his team the lead. Lane spoilt two good chances at the other end by weak gathering of the ball, but Anderson nearly found the mark with a creditable effort following a free kick taken by Shakespeare. Bryce saving well. There was no further scoring this half.
