FAST DRIVING AND CHILDREN RIDING TEAMS

Police Are Given Instructions to Take Action in Police Court if Necessary.

By formal motion passed at the meeting of the police commission last night the police were instructed to give special attention to the matter of fast driving of automobiles and the riding of children on teams and other vehicles with a view to making an example of some parties.

Commissioner Macdonald referred to the tragedy which took place yesterday afternoon at Hays Cove and declared that the riding of children on wagons and cars was becoming a menace. It was remarkable that some had not already been killed. If the teamsters could not do anything, then the children should be dealt with by the police. The matter of fast driving appeared to be almost a "chestnut" and it was time some drivers were arraigned in the police court and fined. Even on Fulton Street near the police station one night recently he had difficulty in getting out of the way of a car that was being driven at a rate of speed far exceeding what must be lawful.

JAP GETS TWO YEARS IN JAIL

Pleaded Guilty of Wounding and Sentenced Yesterday Afternoon by Judge Young.

C. Vatanove, charged with wounding with intent, appeared before Judge Young yesterday afternoon and, electing for speedy trial, pleaded guilty. He was sentenced to two years with hard labor at New Westminster penitentiary.

The fracas, out of which the charge arose, occurred two weeks ago at Somerville Cannery when the accused stabbed a countryman. He appeared before W. E. Collison, justice of the peace, at Arandale and was committed and later brought to the city by Constable Cameron. The wounded man is recovering in the Port Simpson Hospital.

The school board last evening instructed R. H. Shockley to install the equipment in the manual training room at the new school so that it may be in readiness for the opening of the fall term on September 6.

Ten Years Ago in Prince Rupert

August 12, 1911.

In a stormy meeting last night Prince Rupert delegates to the Conservative Convention at Nanaimo were instructed to support the candidature of S. M. Newton. The decision was made by the narrow margin of 31 to 29.

Hayner Bros. are about to start the erection of a new and up-to-date undertaking establishment on Grenville Court.

Fire Chief McGinnis declares that the water officials are wrong on every point in the allegations of inefficiency that they have laid against the Fire Department.

The Man in the Moon SAYS:-

THE person who has not much room for complaint is the one who sits between two fat people on a Seal Cove bus.

WHEN an irate man begins to call you names, what you dislike is to have him tell you what you really are.

WHILE it is hardly to be expected that his Lordship, the big newspaperman, slipped his caddy, the millionaire reporter, the usual four bits or even double that amount, it is pretty certain that Vanderbilt will cash in on the game at Oak Bay links a higher price than any caddy has ever before received for a similar service.

AMONG the things that don't get you anywhere is discussing the cost of living.

ONE of the things that came out in the course of yesterday's Rotary Club discussion was that a cheap town is never a good place in which to live.

THE movement toward shorter dresses and bare knees is simply one of the silent protests against the advance of civilization and fool conventions.

THERE are a lot of people one may admire and like to associate with but the person I really love is the one who keeps his troubles to himself and is always happy.

ONE of the things that don't get you anywhere is telling the person who advises you how to start an engine just what you think of him.

SOME people should be good tennis players for they are always fond of a racket.

DISCUSSING the cost of living is like staking claims in the Mackenzie River. It does not get you very far when it comes to making life easier.

VISITING ELKS AND LADIES HAD CRUISE

Spent Afternoon on "23" and Visited Salt Lakes, Metlakatla and Tuck's Inlet.

Yesterday afternoon the local Elks and Ladies of the Royal Purple entertained their visitors from Victoria, Mr. and Mrs. Alexander Peden, Mr. and Mrs. D. D. Spence and E. L. Stock, to a launch cruise about the harbor on the "23." About thirty persons made the trip and the Salt Lakes, Metlakatla and Tuck's Inlet were visited. Commencing at 2 o'clock and returning home about 8 o'clock an enjoyable afternoon was spent and the visitors were delighted with the beauties of the vicinity. After the outing there was an informal theatre party at the Westholme Theatre in their honor.

BIRTHDAY PARTY FOR POPULAR LOCAL LADY

Those present were Mr. and Mrs. S. W. Mackintosh, J. Howe, Mr. and Mrs. F. S. Stewes, Mrs. Tupper, and Miss Hickey. A number of beautiful presents were received.
