### Causes of Pyorrhea

Pyorrhea is caus d chiefly by irritation of some nature, such as tartar, which is probably the main cause. Ill fitting or loose fillings, badly fitting crowns, decayed teeth, too vigorous use of the toothbrush, or injury of carri s infection down along the root of the tooth are other causes.

## FOUNDERS IN CANADA

ON Place d'Armes in the City of Montreal stands a monument to Sieur de Maisonneuve who, landing near this spot in the year 1642, founded the settlement which is now the City of Montreal.

Facing Place d'Armes stands the Bank of Montreal, which opened its doors for business a short distance from the same spot over one hundred and three years ago.

From the Settlement founded by Maisonneuve, civilization has spread to the east and west until to-day the Dominion of Canada extends from Halifax to Vancouver.

Likewise the Bank of Montreal has grown, until after over a century of steady and conservative progress, it to-day has Branches in all of the cities and larger towns in Canada, with offices in the principal financial centres of the world, and correspondents in every country.
