## CYBSZKO WON FROM LEWIS

Champion Throw Strangler in 23  
Minutes With Neck Lock.

NEW YORK, May 7.—Stanislaw Cybszko won the world's heavy-weight championship catch-as-catch-can, defeating Ed (Strangler) Lewis by throwing him with a neck lock after 23 minutes.

Lewis tried for the headlock, missed and fell on the back of the Polish champion, who then pinned him down.

Lewis weighed 235 pounds and Cybszko 226.

Bhyszko has met defeat on the mat but once in fourteen years of his professional career. His shoulders were pinned to the mat by the late Frank Gotch when the toe hold artist was in his prime.

## TERRACE

Land clearing is going on here very extensively and the secretary of the Farmers' Institute has sold a hundred cases of stumping powder during the past six weeks.

Mr. Wolschlegel, a pioneer of Naas Valley, was in Terrace last week on his way home with three pack horses by way of the Kit-sunakum Lake route.

Charles J. Toombs, of Prince George, arrived in town last week to start work on his newly acquired property, the old Thornhill place. His sister from England accompanied him.

Mrs. George Little entertained at luncheon on Thursday last, covers being laid for twelve. An afternoon tea followed.

R. G. W. Lett, industrial and colonization agent of the C.N.R., has offered a silver medal for the best product, either fruit or vegetable displayed at the Terrace Fair this fall.

R. H. Chandler and Mr. Hall have been appointed fire wardens in this district. James Turnbull, chief ranger, was a visitor here from Hazelton last week.

D. D. Munro, of the Land Settlement Board, spent last week in Terrace.

Mrs. Newbury, of Winnipeg, has arrived here to join her husband. They will reside here.

Many people read newspapers as much for their advertising columns as they do for news.

## SHIPYARD MEN GAVE SMOKER

Piano Purchased Which Will  
Later be Turned Over to  
General Hospital.

The Wallace Shipyard Athletic Club held its fifth entertainment in the commissary on Thursday evening and there was a fine program of music, recitations and boxing bouts. The club last week purchased a piano with money raised by subscription among the members. Later this piano is to be turned over to the General Hospital as a contribution from the employees of the yard.

J. McCready, vice-president of the club, presided at the smoker on Thursday night and the following was the program:

Trio by William Temple, piano, H. Portelance, violin, and E. Portelance, steel guitar.

Song, "Our Ain Folk," William Patton, accompanied by W. Temple. Mr. Patton sang "A Wee Doek and Doris," in response to an encore.

Boxing bout between Barney Lumquist and G. Selig. Both boys weighed in at 95 and honors were even.

Duet, "Dixie," by W. Wisby and L. C. Perry.

Recitation, "Dangerous Dan McGrew," by Thomas Tyson, accompanied by "The Cremation of Sam McGee."

Ball punching exhibition by Chris Stapleton. Mr. Stapleton gave an excellent turn, keeping time to "The Turkey in the Straw."

Steel guitar solo by A. Ward.

Trio by William Temple, piano, H. Portelance, violin, and W. Hawkes, bones. Mr. Hawkes, who is 61 years of age, gave an excellent display which delighted the audience.

Selection on piano by J. Webster.

Boxing bout between Louie Eldred and A. McKay, both 115 pounds. The boys mixed freely and honors were divided.

The bouts were refereed by William Hawkes, an old timer at the game.

## PIGEON SHOOT TO BE ILLEGAL

Clay Targets May Be Substituted  
Even at Monte Carlo

LONDON, May 7.—English public opinion is being stirred by a concerted attack by the press against pigeon shooting and as a result a bill has been introduced in Parliament which would make this form of sport illegal.

The storm arose over a contest at Chatham where live birds were released from traps for a shooting competition. Support for the proposed anti-shooting measure is promised by the government and is being warmly given by the Royal Society for the Prevention of Cruelty to Animals.

Agitation against this form of sport has extended to Monte Carlo, where many upper-class English spend part of the winter, and where the practice is said to be an institution. The Prince of Monaco is reported to be sympathetic to the attempt to eliminate the live pigeon shooting and to substitute clay pigeons.

## Sport Chat

Three fast bouts have already been arranged for the benefit smoker which is to take place on Monday night in the Empress Theatre. Something new will be the heavyweight contest which is to be staged between Bill Hale and Jack Ryan. The former weighs in at 180 and the latter at 190. Although neither have yet been seen in public here, both are said to be clever and surprisingly fast boxers, and those who should know say there is something good in sight for boxing fans in this contest which will be to four rounds. Hale is the challenger for the amateur heavyweight championship of B.C., now held by Constable Sharpe of Swanson Bay.

Besides this feature there will be two lightweight bouts of two rounds each. Alex Roy, of the dry dock, will meet Joe Farrell, a well known lightweight, and Tommy Sherman, the local idol, will box with Red Davidson. All these boxers are well known and show a good deal of capability at the game. While the two former are the more experienced the two latter have achieved quite a reputation for clever work locally.

Fritz, the handy man, has established quite a training camp at his shop on Third Avenue and almost any morning or evening somebody is busy working out there. It is becoming quite a popular place for local adepts of the athletic art, as well as those who like to see the training. Jack Ryan and Bill Hale work out here quite regularly and besides these there are a number of young fellows who take a few friendly rounds now and then.

There is to be a celebration at New Hazelton on May 21 and among the events will be a football game between Smithers and New Hazelton. There will likely be a large delegation of Smithersites to show the line to enjoy the fun. They will go on the regular Tuesday morning train and the railway is making special arrangements for a train to take them back to Smithers. They will spend from 11 o'clock in the morning till 8 in the evening at New Hazelton.

## DEMPSEY WENT INTO CAMP YESTERDAY

Reception Was Given Champion  
at Atlantic City.

ATLANTIC CITY, May 7.—Jack Dempsey's camp in which to prepare for the bout on July 2 with Carpentier opened yesterday with a reception for the champion and his entrance was prepared by the city officials and admirers.

## EDGREN LIKELY REFEREE FIGHT

Carpentier and Dempsey Seem to  
Agree on Arbitrator—Rickard  
Says Likely

NEW YORK, May 7.—Bob Edgren will probably be the third man in the ring when Jack Dempsey and Georges Carpentier meet in Jersey City on July 2. When Georges and Jack affixed their signatures to the articles of agreement the Frenchman announced at the time that Edgren would just about suit him as the referee. Dempsey, who stood close by, shook his head in approval of Carpentier's suggestion and it is almost certain that "Bob" will be selected.

Rickard said that he would not be surprised to see the two boxers settle on Edgren.

Work on the arena in Jersey City is being pushed and Rickard expects that it will be completed about June 20. It is being constructed to hold 30,500 persons.

## SWIMMING CLUB GETS DONATIONS

At the meeting of the Board of Trade last night a collection was taken on behalf of the Swimming Club in response to a letter from the secretary asking for a donation of ten dollars.

On the letter being read it was decided to vote the ten dollars, but there was a little hesitancy about taking it from the general fund.

T. D. Patullo suggested that as he was very keenly interested in the swimming club he would give ten dollars if the rest of the members would raise ten among them. The hat was at once passed and as a result the Swimming Club gets \$22.50 to be used in the good work they propose at the Salt Lakes this year.

Donations to the Swimming Club have been received from two other local organizations, Valhalla Lodge giving \$20 and the Sons of England \$10.

## KELLY AND RUTH NECK ANL NECK

Season But Ruth Has  
Best Average.

Chicago, May 7.—George Kelly, first baseman for the New York Giants, is leading Babe Ruth in home runs, according to the averages released today and which include the games of last Wednesday. On that day Kelly cracked out his seventh home run and pulled away from the slugging Yankee, but Ruth evened on Friday by making his seventh home run in the game at Washington.

## WOULD PLAY GAME FOR ITS OWN SAKE

Dr. Macdonald Urges Young People  
to Get into Game Instead  
of Watching from the  
Touch Line.

OTTAWA, May 3.—The value of physical culture as an aid to the development not only of the individual but of the nation, was emphasized by Rev. Bruce Macdonald, rector of St. Andrew's College, Toronto, and president of the Amateur Athletic Union of Canada, in a recent address here to the Kiwanis Club.

Dr. Macdonald urged his hearers to get the physical culture habit and to make it a part of their daily routine. He especially urged greater interest in community recreation projects, not only for children, but for grown-ups as well, and called attention to the fact that the play instinct was present in every human being.

"I do not consider that professional sport is in the best interests of either the individual or the nation," he declared. "Where the player is paid to play a winning game there is always the essence of temptation. The true amateur is the one who plays the game for its own sake. I find all over the country there is a readiness on the part of boys and girls to play the game fair, but the trouble is they have not the proper backing. Then, too, we have too many touch-line sports in Canada. We want them to get into the game instead of standing on the outside."

## CLEMENTSON IS HERE FOR SUMMER SEASON, ARRIVED THIS MORNING

Local sportsmen will hear with pleasure that C. G. Clementson is in the city once more and will stay the summer. He arrived this morning from Stewart on the Provincial and will be joined soon by Mrs. Clementson who is in the south.

Clem will doubtless be playing ball and his advent will cause some surprises among the local teams. As he is an Elk he will likely line up with the lodge team in the City League.

## HAIL THE SPORTS OF SPRINGTIME!

Infinite Is the Variety in Out-of-Door Apparel—At Fashion's Caprice, Personality Finds Expression in Color and in Line.

When one wishes to wear "quite the right thing" with a skirt of washable satin one dons a belted blazer.

FICKLENESS is not precisely a trait to cultivate, and yet there are circumstances in which it may be termed a virtue. How time-somely practical would we find the modes if their arbiters insisted upon introducing certain things at the beginning and "sticking to them" throughout the season. How interesting are they when individuality and variety are the keystones of the theme. Then, indeed, are we glad when fashion appears not a steady going dame of mature indiscretion but a damsel influenced by little save caprice.

As the spring advances interest in sports apparel waxes strong and stronger still, for spring, if ever, is the time of year to take one's fun out of doors.

No longer do the knitting needle and the crochet hook find themselves engaged only in fashioning the sweater and the coat. However pleasing this duty they discover that their scope of service has been enlarged, and that they now are expected to do their best to make attractive a frock, a slip-over blouse, or perhaps a coat entire. An unusually good looking effect simulating brocade is achieved by the use of two slightly different shades of the same color—a sort of changeable effect

Delightfully girlish is this picturesque affair—the skirt with a plaid panel at the side, the jacket plaited and long as to drape.

rather than any marked design. A dress of this type trimmed with a narrow knitted silk band and a wide fringed sash, loosely tied, is a thing of picturesque charm.

Speaking of sweaters, 'tis the slip-over that holds the centre of the stage just now, and besides being very good to look upon this is one garment that is a source of never failing delight to its fair owner—it not only possesses that woolly warmth that one needs on the chilly early morn and even of spring, but it substitutes well and ably for the blouse—a service not to be taken lightly in these days of the high cost of laundry.

We must come to the conclusion from what we see and hear that the

Invitations to attend have been mailed by Tex Rickard, promoter and manager of the contest, to James Jeffries, J. Corbett, Tommy Burns and Jess Willard, all ex-heavyweight champions of the world.

PARIS, May 7.—Georges Carpentier, heavyweight champion of Europe, left this city this morning for Havre to take a steamer there for the United States where he will immediately start preparations for his fight with Jack Dempsey for the world's title on July 2.
