ALL SHOT TO PIECES

The Kidd report has been all shot to pieces by the Provincial Government, not one of its recommendations having been accepted by the administration with the exception of that for the abolition of parties and in that they have already failed. No government would dare to go to the country and suggest abolition of free education or the abolition of the B. C. University, the cutting off of services such as old age pensions, or abandoning aid to agriculture, mining or other industries.

We are glad to know that the Tolmie Government has the courage to come out and make its position clear on the report. Liberals do not need to do so. Their position is

too well known in regard to these matters. As we have said before, there is no doubt that economy is needed and efficiency in the public service is also a requirement that should be enforced. There is nothing new soft SOFTBALL AT about that. All have been agreed in regard to it always. It is simply a matter of getting results for the money expended and that is only possible under an efficient administration.

We are now looking forward to improved conditions in smith's Giants Have Close Victory Canada and particularly in British Columbia. It would be suicidal at such a time to throw up our hands and say we! will do nothing to help. LETTERS MUST BE SIGNED

No newspaper of any standing will ever publish a letter Hanson. Arney and Santurbane which is not signed by the person who writes it. The sig- starred for the Senators nature may not be for publication but the editor must know from whom his communication comes, if only as a test of good faith.

Annual Meeting of Crib and Whist Leagues-Successful Season Is In Prospect

The Cribbage and Whist League, at its annual meeting last night, decided to add bridge to the coming winter's activities. Preliminary prospects indicate that the approaching season should be a very successful one. In cribbage no less than ten teams have already signified their intention of entering while, in whist, there are already eight with two in bridge. Entries of teams will close on October 5 and the intention is to commence the season's play the following
