Possess Good Health By Looking after THE BOWELS

A free motion of the bowels, once or
twice a day, should be the rule of every
one, as half the ills of life are caused by
allowing the bowels to get into a con-
stipated condition.

When the bowels are allowed to become
constipated, the stomach gets out of
order, and the liver does not do its work
properly on account of holding back the
bile so that it does not pass through the
bowels, but is allowed to get into the
blood, thus causing a poisoning of the
whole system.

If you would escape constipation, sick
and bilious headaches, heartburn, floating
specks before the eyes, coated tongue, foul
breath; the nasty irritating, bleeding,
itching and protruding piles, you should
keep your liver stirred up by the use of
MILBURN'S LAX-LIVER PILLS.

These pills, being purely vegetable,
keep your liver working actively, helping
it to resume its proper functions, and
thereby removing the bile that is circulat-
ing in the blood and poisoning the whole
system.

Mrs. H. Barrows, Enfield, N.S., writes:
"I was troubled with such headaches
and constipation. One day a friend told
me of MILBURN'S LAX-LIVER PILLS. I got
two vials, and found they did me a world
of good. I therefore have great faith in
them."

MILBURN'S LAX-LIVER PILLS are 25c.

receipt of price by The T. Milburn Co.,
