James Campbell, of the Provincial Labor bureau, reports employment conditions in the city very satisfactory compared with the state of affairs in the most of the large cities. There is no unemployment in Prince Rupert and the people who live here have work to do so there is no distress. On account of the notable activity in building at the present time there is quite a heavy demand for carpenters.

The time used is Pacific Standard, for the 120th Meridian west. It is counted from 0 to 24 hours, from midnight to midnight.

The table given is for Port Simpson but the time for Prince Rupert varies only a few minutes on some days and on others is the same. The range of the tide may be computed as 5 per cent greater at Prince Rupert than at Port Simpson both at springs and neaps. Therefore the rise in the Prince Rupert harbor is slightly greater than Port Simpson.

The height is in feet and tenths of feet above the average level of lower low water.

THE GREAT EUROPEAN PHRENOLOGIST-PALMIST

Professor Rosen, the celebrated palmist and phrenologist—the man with 10,000 eyes—is at the Prince Rupert Hotel. He has obtained a license to practice his talent in the city and will be in attendance at Room 38 for about a week or eight days. The Nanaimo Free Press and the Nanaimo Herald have published very satisfactory accounts of him. "The professor," he states, "is an expert palmist," and if you are interested in the subject, you could not do better than pay him a visit. He delineates incidents in your past like very correctly, giving you details and incidents that had completely slipped your memory. Professor Rosen, who served in the great war, is a son of the greatest palmist of the European continent.

Professor Rosen has come here from southern British Columbia and in every town in which he visited, people expressed complete satisfaction. He carries with him many credentials, and the people of Prince Rupert, if they pay him a visit, may enjoy his scientific readings, which according to all accounts, are wonderfully accurate, and his prophecies of the future, which are not of the fairy story character, should be interesting. Private calls made.

ALL CONSULTATIONS STRICTLY PRIVATE. Regarding the Hands.

Those people not believing in Palmistry, may read the Bible for reference, in book, chapter and verse noted below: The Book of Revelations; Chapter 14, Verse 9. The Book of Proverbs, Chapter 3; Verse 16.

Ethel—Who was that new girl I saw you with last night?
Jack—That wasn't a new girl. That was my old girl painted over.

EVERYBODY HAD GOOD TIME AT K. P. PICNIC

Unsettled Weather Conditions Did Not Detract From Success of Event.

Despite unsettled weather conditions, the Knights of Pythias picnic to Digby Island yesterday proved a successful and enjoyable outing. The "23" made four runs, two in the morning and two in the afternoon, and well over 100 persons and many children made the trip. There was a good program of sports and games for the youngsters, who enjoyed the day especially. Refreshments were also provided with a lavish hand. By 9 o'clock all were home safely happy with the enjoyment of the day. The committee comprised Ray Love, W. Gilchrist, George Johnstone, Mrs. George Leek and Mrs. D. McCulloch.
