No Appetite

Nervous exhaustion leads to distaste for food. The nerves of the stomach are weak, digestion fails and you become generally upset and out of sorts.

The secret of complete restoration is in getting the nervous system fully built up.

Mrs. R. Cheney, 208 Richmond St., Chatham, Ont., writes:

"I was troubled with indigestion, which caused me many sleepless nights. I would be in terrible distress at times, and would get no relief for two or three hours. For sixteen months I ate nothing but Shredded Wheat biscuits, as I dare not eat anything else. I did not know what to do, as I had tried so many different remedies, as well as doctors' medicines, without gaining permanent relief. Finally I got some of Dr. Chase's Nerve Food, and while on the second box noticed that I was improving. I continued the treatment until I am now fully restored, and have returned to my regular diet. My husband has also taken Dr. Chase's Nerve Food with splendid results, so we are glad to recommend it to others."

GIBRALTAR OF THE NORTH

Neutralization of Aland Island is Arranged by World Powers.

LONDON, Dec. 5.—The text of the convention for the neutralization of the Aland Islands, received here, shows that the signatory countries to it are Denmark, Esthonia, Poland, Finland, France, Germany, Great Britain, Italy, Lithuania and Sweden.

Besides prohibiting the establishment in the islands of any military, naval or air bases, it also forbids, with certain exceptions, the entrance of war vessels of any power into the waters of the archipelago, except for peaceful passage through them. Finland, is, however, permitted to send, as a temporary measure, any forces required for the maintenance of order.

In time of war, the archipelago is strictly neutralized but in the event of warfare affecting the Baltic, Finland is permitted to lay mines in the waters of the group, provided she immediately informs the Council of the League of Nations.

The Agreement.

For the purpose of giving effect to the convention or meeting any violations of it, the contracting powers agree to have resort to the Council of the League of Nations which shall, in case of need, summon a conference of the contracting powers, whether members of the League or not.

Failing unanimity, each and any of the contracting powers are authorized to take such measures as may be recommended by the Council by a two-thirds majority, the vote of any power accused of the violation of the convention not being reckoned.

In the event of the neutrality of the islands being threatened by a sudden coup de main, Finland is authorized to take the necessary measures in the neutral zone for repelling the aggressor until such time as the contracting powers are ready to intervene for the purpose of securing respect for the neutrality of the Islands.

The Wanderers and Elks billiard teams meet tonight in the Trail Club Cup competition and the game promises to be a very interesting one for a decisive victory by either team would likely put it in second place in the standing. In fact, if the Wanderers should make a clean sweep, the club would be but five points behind the Trail in the average. On the other hand a close result in tonight's tournament would probably still further lengthen the difference in standing between these two clubs and the league leaders. In the departure of Joe Howe, of the Wanderers, for England last week that team will suffer a serious loss for Mr. Howe was one of the sure, steady players of the club who could generally be counted on for a win. T. B. Hooper will likely take his place on the team.

PRINCE RUPERT HAS SLIGHT LEAD SO FAR BILLIARD TOURNAMENT

Five of the six billiard games in the second inter-club tournament between the Prince Rupert and Wanderers' Club were played at the week-end and the former is leading by a score of 911 to 900. The sixth game between G. P. Tinker (Wanderers) and J. H. McMullin (Prince Rupert) is yet to be played.

The following was the scoring of the five games played.

R. H. Shockley (Wanderers), 200; G. A. Woodland (Prince Rupert), 132.

T. B. Hooper, 200; D. H. Morrison, 179.

Fred Stephens, 162; A. T. Broderick, 200.

FINAL GAME GIVES WAR VETERANS WIN IN TRAIL SERIES

W. Goodrich Won Game Saturday Advancing His Team in League Standing.

W. Goodrich, of the Great War Veterans' billiard team, defeated H. F. Wearmouth, of the Sons of England, in the final of the tournament between the two teams on Saturday afternoon, the former thus winning the tournament by a score of 1093 to 1051. The Sons were in the lead for the first five games of the series but this one loss lost them the victory. The Great War Veterans, by their win, also take fifth place in the standing, displacing the Sons of England to the cellar position.

The standing to date in the Trail Club Cup series is as follows:
